David Miles uses the prism of the axe both as a practical tool and status symbol to weave this wonderful story of how we became farmers and created more complex societies. It ends in the Later Neolithic with the start of metallurgy.

The Tale of the Axe: How the Neolithic Revolution ...
Focusing on the British Isles, the author explores a period of huge societal change – the Neolithic, or 'New Stone Age' – through the most iconic artifact of its time: the polished stone axe, using an ancient stone axe-head brought to him by a local quarry worker as a guide to the revolution that changed the world.

Focusing on the British Isles, the author explores a period of huge societal change the Neolithic, or New Stone Age through the most iconic artifact of its time: the polished stone axe, using his own ancient stone axe-head, given to him by a local quarry worker, as a guide to the revolution that changed the world.

The Tale of the Axe: How the Neolithic Revolution ...
The Tale of the Axe: How the Neolithic Revolution Transformed Britain. Approximately 12,000 years ago, early humans in western Asia and Europe who had been itinerant foragers, subsisting on what food they could find, slowly began settling in one place.

The Tale of the Axe: How the Neolithic Revolution ...
Focusing on the British Isles, David Miles explores this period of societal change – the Neolithic, or 'New Stone Age' – using the most iconic artifact of its time, the polished stone axe, as a guide to the revolution that changed the world. Mixing anecdote, ethnography and archaeological analysis, Miles vividly demonstrates how the archaeology on the ground reveals to us the evolving worldview of a species increasingly altering their own landscape; settling down together, investing ...

David Miles - The Tale of the Axe: How the Neolithic Revolution Transformed Britain. I've been looking forward to reading The Tale of the Axe for some time as there is a lack of popular studies of the stone age tools that our ancestors used for much of human history. As the subtitle of David Miles' book suggests, these tools were fundamental to the transformation of human society from nomadic hunter-gathering to sedentary farming communities.

ResoluteReader: David Miles - The Tale of the Axe: How the ...
The Tale of the Axe explores the New Stone Age—named for the new types of stone tools that appeared at that time, specifically the ground stone axe—taking Britain as its focus. David Miles takes the reader on a journey through Neolithic Britain by way of its ancestors, geographical neighbors, and the species from which humans emerged before turning an eye to the future and those aspects of the Neolithic Revolution that live on today: farming, built communities, modern man, and much more.
