Applications for admission in October 2021 will open in early September 2020 and will close on 30 June 2021.

This book highlights the basic concepts underpinning the OSCE, its development and implementation in practice. Practical guidelines and tips are provided based on the authors' extensive experience gained over 40 years. Case studies are included to illustrate the OSCE's use in a wide range of settings and professions to assess the expected learning outcomes. The text is supplemented with personal accounts and anecdotes. Used globally in all phases of education in the different healthcare professions, the OSCE was first described by the lead author, Harden, in 1975 and it is now the gold standard for performance assessment. "This book is an invaluable addition. It pulls together in one place pretty well everything that is known about the OSCE; what works and what doesn't. It is a welcome addition to the bookshelf of any educational leader." Geoff Norman's Foreword

Guide to Indian Railways Assistant Loco Pilot Exam 2014 The book "Guide to Indian Railways Assistant Loco Pilot Exam 2014" has been written exclusively for the Assistant Loco Pilot Exam strictly according to the revised exam pattern. The Political Handbook of the World by Tom Lansford provides timely, thorough, and accurate political information, with more in-depth coverage of current political controversies than any other reference guide. The updated 2020-2021 edition will continue to be the most authoritative source for finding complete facts and analysis on each country ' s governmental and political makeup. Compiling in one place more than 200 entries on countries and territories throughout the world, this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system. The Political Handbook of the World 2020-2021 also provides names of key ambassadors and international memberships of each country, plus detailed profiles of more than 30 intergovernmental organizations and UN agencies. And this update will aim to include coverage of current events, issues, crises, and controversies from the course of the last two years.

With contributions from leading international scholars, this Handbook offers the most rigorous and up-to-date analyses of virtually every aspect of Brazilian politics, including inequality, environmental politics, foreign policy, economic policy making, social policy, and human rights. The Handbook is divided into three major sections: Part 1 focuses on mass behavior, while Part 2 moves to representation, and Part 3 treats political economy and policy. The Handbook proffers five chapters on mass politics, focusing on corruption, participation, gender, race, and religion; three chapters on civil society, assessing social movements, grass-roots participation, and lobbying; seven chapters focusing on money and campaigns, federalism, retrospective voting, partisanship, ideology, the political right, and negative partisanship; five chapters on coalitional presidentialism, participatory institutions, judicial politics, and the political character of the bureaucracy, and eight chapters on inequality, the environment, foreign policy, economic and industrial policy, social programs, and human rights. This Handbook is an essential resource for students, researchers, and all those looking to understand contemporary Brazilian politics.
