directing them to a more fulfilling vocation.

Guides people working in jobs they hate on how to make successful career decisions by creating a compass from their natural skills and abilities, personality traits, values, dreams, and passions, directing them to a more fulfilling vocation.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one

## Get Free 48 Days To The Work You Love Preparing For The New Normal

thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

An edition expanded with more than 100 pages of new content offers a blueprint for a better life, whether one's dream is escaping the rat race, experiencing high-end world travel, earning a monthly five-figure income with zero management or just living more and working less.

Derived from a Buddhist funerary text, this famous volume's timeless wisdom includes instructions for attaining enlightenment, preparing for the process of dying, and moving through the various stages of rebirth.

Rock Retirement offers inspirational advice on how to enjoy the journey to retirement to its fullest. Traditional retirement advice usually boils down to saving more, sacrificing more, and settling for less. This approach makes people dependent on systems outside their control, such as the market, economy, and investment returns. The result: people lose power over determining their life. What sets Rock

Retirement apart is its holistic approach to helping people take back control and act intentionally towards the life they want. It addresses the fears, hopes, and dreams that people have about retirement, goes way beyond the numbers, and shows them how to balance living well today and tomorrow.

Francisco, a young Mexican-American boy, helps his grandfather find work as a gardener, even though the old man cannot speak English and knows nothing about gardening.

Today we face a unique dichotomy between the wisdom of the Baby Boomer generation and the passion of Generation Y. According to *Wisdom Meets Passion*, the question is not which is right, but rather how can the two work together? Wisdom, meet passion. Passion, wisdom. By bringing these two voices to the issue, this book takes readers through familiar plights, such as understanding the American Dream, the quest for security, and work that matters—regardless of age. Through candid storytelling, Dan Miller and Jared Angaza uncover various generational approaches to work, money, success, and relationships, proving that it is possible to be both passionate and wise. .
