This series has been endorsed by Cambridge International to support the syllabus for examination from 2023. Provide the knowledge, understanding and skills required to succeed in the revised Cambridge International AS & A Level Accounting syllabus (9706), with a clear and accessible resource, featuring questions throughout to challenge learners at every level. - Strengthen subject knowledge with a range of question types designed to test understanding of key topics within the syllabus, including past paper and exam-style questions. - Unpack challenging concepts with a course that's written for international students and includes suitable content and language levels, key terminology and a Glossary will provide useful reference points to help ESL learners to access the material fully, remember and process information. - Provide a clear pathway for progression with clearly distinguished syllabus statements to be covered within each chapter. - Develop analytical skills with worked examples providing full and clear explanations of each concept.

An tement to re-assess how society relates to persons with poor mental health Mainwaring explores the societal contexts of those who suffer poor mental health, and in particular the relational dynamics of how identity, agency, and dialogue are negotiated in personal encounters. This work seeks to serve as an experiment, such that interested readers might better understand the dynamics of relational power that pervade encounters with persons with poor mental health. Features: Foucauldian analysis of the relational dynamics of poor mental health used to re-imagine hegemonic relational dynamics Close readings of encounters between individual characters to evaluate how mutuality operates in those encounters Study of mutuality as it has emerged in mental health literature, feminist theologies, and theologies of disability

Essential reading for scholars and students in wisdom studies This collection of essays explores questions that challenge the traditional notion of a wisdom tradition among the Israelite literati, such as: Is the wisdom literature a genre or mode of literature or do we need new terminology? Who were the tradents? Is there such a thing as a "wisdom scribe" and what would that look like? Did the scribes who composed wisdom literature also have a hand in producing the other "traditions," such as the priestly, prophetic, and apocalyptic, as well as other non-sapiential works? Were Israelite sages open to non-sapiential forms of knowledge in their conceptualization of wisdom? Features: Recent genre theory in distinction from traditional form criticism Ancient Near Eastern comparative material A balanced collection that includes essays that seriously challenge and affirm the consensus view, as well as those that reconfigure it

This work details the economic, regulatory and environmental protection issues related to biosolids management and use. It evaluates current treatment technologies and management strategies for the beneficial utilization of municipal wastewater residuals. Cost information regarding the relative economic merits of special reuse and disposal methods, is presented.

This revised set of resources for Cambridge International AS and A Level Accounting syllabus (9706) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, this coursebook unpacks accounting concepts in an engaging and accessible style. With clear definitions of up-to-date terminology, this resource is ideal for learners with a wide range of abilities, including those whose first language is not English. Practical walkthroughs illustrate the application of key accounting policies and practices, and activities reinforce knowledge and build analytical and evaluation skills. At the end of each chapter there are opportunities to practice multiple-choice and structured questions to help prepare students for their assessment.

This inventive work explores Mark's Gospel within the contexts of the empires of Rome and Europe. In a unique dual analysis, the book highlights how empire is not only part of the past but also of a present colonial heritage. The book first outlines postcolonial criticism and discusses the challenges it poses for biblical scholarship, then scrutinizes the complex ways with which nineteenth-century commentaries on Mark's Gospel interplayed with the formation of European colonial identities. It examines the stance of Mark's Gospel vis-à-vis the Roman Empire and analyzes the manner in which the fibers of empire within Mark are interwoven, reproduced, negotiated, modified and subverted. Finally, it offers synthesizing suggestions for bringing Mark beyond a colonial heritage. The book's candid use of postcolonial criticism illustrates how a contemporary perspective can illuminate and shed new light on an ancient text in its imperial setting.

Cambridge O Level Principles of Accounts has been designed specifically to meet the requirements of the Cambridge syllabus. Cambridge O Level Principles of Accounts has been written specifically for the Cambridge O Level Accounting syllabus. Accounting principles and practices have been explained in simple language to enhance the accessibility of the contents to students whose first language is not English. The book reflects the changes in the O Level Principles of Accounts syllabus and applies international accounting terminology.

Sigmund Mowinckel is widely recognized as one of the leading forces in Psalms research during the twentieth century. Indeed, the culmination of Mowinckel's thought and work, The Psalms in Israel's Worship, continues to play a significant role in Psalms scholarship today. Not as well known are the seminal studies that provided the ground for Mowinckel's later work, the six Psalmenstudien that are translated here into English for the first time. In these studies Mowinckel explores with care and in detail such topics as: "Awen and the Psalms of Individual Lament"; "YHWH's Enthronement Festival and the Origin of Eschatology"; "Cultic Prophecy and Prophetic Psalms"; "The Technical Terms in the Psalm Superscriptions"; "Blessing and Curse in Israel's Cult and Psalmody"; and "The Psalmists." Anyone interested in Psalms study, especially the possible role of the New Year's enthronement festival within Israel's cult and its relation to the Psalter, will find much to consider in these classic works.

Transform your high school accounting course with CENTURY 21 ACCOUNTING GENERAL JOURNAL 10E, the leader in high school accounting education for more than 100 years. Input from educators, accounting professionals, content experts, and high school accounting students has informed the tenth edition's new critical-thinking activities, real-world applications, updated Accounting instruction, and enhanced online learning solutions, including Online Working Papers and Automated Accounting Online computerized accounting software.
