There was a time between Be-Bop and Hip-Hop, when a new generation of teenagers created rock 'n' roll. Cole was one of those teenagers and was host of his own Saturday night, pop music TV show. "Sh-Boom!" is the pop-culture chronicle of that exciting time when teenagers created their own music.

"This book is the only comprehensive guide to 25 shark, skate, and ratfish species known to inhabit Alaska waters. Notes on identifying characteristics and life history are accompanied by color photos and drawings of nine shark, fifteen skate, and one ratfish species. Maps show ranges, and keys are provided to identify each species as well as skate egg cases. Printed on water-resistant paper for heavy use in the field, the guide is valuable to scientists, fishery managers, naturalists, science educators, ocean adventure cruisers, divers, fishermen, seafood processors, and anyone fascinated by the world's marine life"-Book jacket.

The Pulitzer Prize-winning historian talks with some of twentieth century's most iconic musicians—"Riveting . . . Just about every interview has a revelation" (San Francisco Chronicle). Through the second half of the twentieth century, Studs Terkel hosted the legendary radio show "The Wax Museum," presenting Chicago's music fans with his inimitable take on music of all kinds, from classical, opera, and jazz to gospel, blues, folk, and rock. Featuring more than forty of Terkel's conversations with some of the greatest musicians of the past century, And They All Sang is "a tribute to music's universality and power" (Philadelphia Inquirer). Included here are fascinating conversations with Louis Armstrong, Leonard Bernstein, Big Bill Bronzoy, Bob Dylan, Dizzy Gillespie, Mahalia Jackson, Janis Joplin, Rosa Raisa, Pete Seeger, and many others. As the esteemed music critic Anthony DeCurtis wrote in the Chicago Tribune, "the terms 'interview' or 'oral history' don't begin to do justice to what Terkel achieves in these conversations, which are at once wildly ambitious and as casual as can be." Whether discussing Enrico Caruso's nervousness on stage with opera diva Edith Mason or the Beatles' 1966 encounter in London with revered Indian sitar player Ravi Shankar, "Terkel's singular gift for bringing his subjects to life in their own words should strike a chord with any music fan old enough to have replaced a worn-out record needle" (The New York Times). "Whether diva or dustbowl balladeer, Studs treats them all alike, with deep knowledge and an intimate, conversational approach. . . . as this often remarkable book shows. Studs Terkel has remained mesmerized by great music throughout his life." —The Guardian "Terkel's] expertise is evident on every page, whether debating the harmonic structure of the spirituals or discerning the subtleties of Keith Jarrett's piano technique . . . As ever, he is the most skillful of interviewers." —The Independent "What makes And They All Sang a rousing success isn't just Terkel's phenomenal range and broad knowledge, it's his passionate love of the music and his deep humanity." —San FranciscoChronicle

This collection of over 40 artists celebrates artists who made the conscious decision to live and work in post-Katrina New Orleans. It is the result of a partnership between artist/publisher Terrence Sanders and architect/developer Marcel Wisznia, and is the centerpiece for the renovation of a New Orleans apartment building by the same name. In assembling this collection, Terrence Sanders saw a way of documenting the burgeoning art scene in New Orleans.

In this "evocative first novel," an elderly woman looks back on the world of revolutionary Cuba as she recalls her intimate, secret love affair with Ernesto "Che" Guevara (Publishers Weekly). A young Cuban woman has been searching in vain for details of her birth mother. All she knows of her past is that her grandfather fled the turbulent Havana of the 1960s for Miami with her in tow, and that pinned to her sweater—possibly by her mother—were a few treasured lines of a Pablo Neruda poem. These facts remain her only tenuous links to her history, until a mysterious parcel arrives in the mail. Inside the soft, worn box are layers of writings and photographs. Fitting these pieces together with insights she gleans from several trips back to Havana, the daughter reconstructs a life of her mother, her youthful affair with the dashing, charismatic Che Guevara and the child she bore by the enigmatic rebel. Loving Che is a brilliant recapturing of revolutionary Cuba, the changing social mores, the hopes and disappointments, the excitement and terror of the times. It is also an erotic fantasy, a glimpse into the private life of a mythic public figure, and an exquisitely crafted meditation on memory, history, and storytelling. Finally, Loving Che is a triumphant unveiling of how the stories we tell about others ultimately become the story of ourselves. "A moving novel from a writer to watch." —Publishers Weekly "Inventive and hypnotic . . . [An] artful and restless examination of the exile soul." —Los Angeles Times "[Menendez] captures Cuba's potential, its desperation and decay, and also its dark humor." —The New York Times "The writing is consistently beautiful. Highly recommended." —Library Journal
