The Agony of Leaves. s t o r i e s. I do not want to beat about this bush or that bush. I will say it straight: I am not a perverted fellow. It has never been my habit to move with prostitutes or other women of that type. Not even once have I made a lewd remark to a lady or suggested some dubious act to anyone other than my wife. I was always ...

The Agony of Leaves

The fictional biography, Agony of Leaves, already has been translated into Latvian, and to high critical acclaim, published in Riga. For some readers the most important aspects of the biography may be the descriptions of Inta's struggle to become an old age poet, which in her own way she won; and the battle against cancer which she lost.

Little Miss Sunshine meets Room in this quirky, heartwarming story of friendship, loyalty and discovery. It's Newfoundland, 1986. Fourteen-year-old Bun O'Keefe has lived a solitary life in an unsafe, unsanitary house. Her mother is a compulsive hoarder, and Bun has had little contact with the outside world. What she's learned about life comes from the random books and old VHS tapes that she finds in the boxes and bags her mother brings home. Bun and her mother rarely talk, so when Bun's mother tells Bun to leave one day, she does. Hitchhiking out of town, Bun ends up on the streets of St. John's, Newfoundland. Fortunately, the first person she meets is Busker Boy, a street musician who senses her naivety and takes her in. Together they live in a house with an eclectic cast of characters: Chef, a hotel dishwasher with culinary dreams; Cher, a drag queen with a tragic past; Big Eyes, a Catholic school girl desperately trying to reinvent herself; and The Landlord, a man who Bun is told to avoid at all cost. Through her experiences with her new roommates, and their sometimes tragic revelations, Bun learns that the world extends beyond the walls of her mother's house and discovers the joy of being part of a new family -- a family of

In this epic love story, Dear Agony forges a connection between an unlikely pair—a beautiful rose entwined in barbed wire and a shipwreck sinking into the darkest depths of the ocean. This agonizing romantic novel poses some gut-wrenching questions: What does a woman do when the man she loves is planning his own demise? And how far will she go to give him something to live for? Dear Agony, You've been my shadow, following me through childhood—filling my days and nights with terror and uncertainty. You cleverly disguised yourself as some form of pain or suffering as I grew into a young woman. We were unwavering companions ... until I severed our ties. I traded homelessness on the streets of New Orleans for a luxurious bed covered by the finest linens. I traded dumpster diving for dinner in the finest restaurants. I traded myself to a stranger—Bastien Pascal. I have a good life within my platonic and mutually beneficial companionship with Bash. He's my friend. My mentor. My roommate. Until everything changes. I'm not supposed to get goosebumps when his hand brushes my skin. I'm not supposed to be eager for his soothing touch following one of my nightmares. I'm not supposed to think about what might happen if I reached out to him in the darkness. Falling in love with him? Preposterous... unavoidable. Agony, why are you back with a vengeance to rob me of this life I've come to love so dearly? I'm finally happy. Don't ruin this for me. Always yours, Rose —— About Dear Agony— Heat level: 3/5 Cheating: No Tropes and Themes: • Arranged Relationship • Billionaire • One's Rich, One's Poor • Age Gap • Friends-to-Lovers • Tortured Hero • Damaged Heroine • Surprise Baby

Life, Alice McKinley feels, is just one big embarrassment. Here she is, about to be a teenager and she doesn't know how. It's worse for her than for anyone else, she believes, because she has no role model. Her mother has been dead for years. Help and advice can only come from her father, manager of a music store, and her nineteen-year-old brother, who is a slob. What do they know about being a teen age girl? What she needs, Alice decides, is a gorgeous woman who does everything right, as a roadmap, so to speak. If only she finds herself, when school begins, in the classroom of the beautiful sixth-grade teacher, Miss Cole, her troubles will be over. Unfortunately, she draws the homely, pear-shaped Mrs. Plotkin. One of Mrs. Plotkin's first assignments is for each member of the class to keep a journal of their thoughts and feelings. Alice calls hers "The Agony of Alice," and in it she records all the embarrassing things that happen to her. Through the school year, Alice has lots to record. She also comes to know the lovely Miss Cole, as well as Mrs. Plotkin. And she meets an aunt and a female cousin whom she has not really known before. Out of all this, to her amazement, comes a role model -- one that she would never have accepted before she made a few very important discoveries on her own, things no roadmap could have shown her. Alice moves on, ready to be a wise teenager.

A companion volume to *Contradictory characters*, this book analyzes the juxtaposition of the tragic and the comic in modern drama.
