If your child is struggling with math, then this book is for you; the short book, covers the topic and also contains 30 practice problems to work with. This subject comes from the book “ First Grade Math (For Home School or Extra Practice) ” ; it more thoroughly covers more first grade topics to help your child get a better understanding of first grade math. If you purchased that book, or plan to purchase that book, do not purchase this, as the problems are the same. Certain elements of this eBook require you to fill in blanks; this is obviously not possible in an eReader environment; it is recommended that you use a blank sheet of paper as you work through this book with your child.

Over 50 discussion questions and activities, and 300 questions, fill this comprehensive workbook. The book covers science, math and social science for first grade. If you are homeschooling (or if you are just trying to get extra practice for your child), then you already know that social science workbooks and curriculum can be expensive. Homeschool Brew is trying to change that! We have teamed with teachers and parents to create books for prices parents can afford. We believe education shouldn ’ t be expensive. Each subject may also be purchased individually.
