Courageous Leadership Workbook will help both you and your leadership team become the exceptional leaders that God has called you to be. Now more than ever, the world is looking for great leaders. Biblical leadership goes beyond mere ability and personality. Consider your church staff, small group members, or colleagues: Are they leading as effectively as they could? Are they maximizing their own potential? Are they effectively cultivating the talents and gifts within those they influence? The Courageous Leadership Workbook serves as a "how to" guide for every leader.

Your inner mindset, the values you live, breathe and communicate - these are the leadership topics addressed in Workbook: Attitude, the penultimate letter in the D.R.E.A.M. Formula®. When your employees ´ values do not coincide with yours, their enthusiasm quickly peters out. We therefore introduce an efficient tool for measuring and analyzing the value systems of an individual or group. Because only the right work environment guarantees productive, satisfied employees. As a leader, your inner attitude decides your outer success. How do you handle delegating or letting go? Are you capable of making yourself superfluous? Or do you consider yourself irreplaceable? Can you lead highly diverse teams? Your approach to tolerance, acceptance and happiness also decides how successful you are. So, what ´s the scope of your attitude? Numerous worksheets let you find out! Want more? Then deepen your knowledge with our book D.R.E.A.M. of LEADERS®. Leadership is not an illusion as well as the four other workbooks in the series.

I am not a trained psychologist or psychiatrist. I do not have all the answers, I wish I did: Sometimes I would like to wave a magic wand and sprinkle fairy dust full of positive hope and love over all those suffering. I like to think of myself as a small glimmer of hope and encouragement for others leading them on an inner journey into unlocking their own true passion and potential. I want to help you find out why you believe the things you do and if any of those thoughts and beliefs are the reason why you cannot create the life you want. My own life's experiences and training have brought me to finding mine. It is my desire, my passion to help you find yours.
