You want to use a 1 3/8" circle punch (item #119860) to cut the neck out of the folded endof the cardstock. Cut just a half circle. Use that same circle punch to punch out the leg holes (bottom corners of the card). For the arms, measure down from the fold approx. 1 1/4" and cut straight into the card about an inch.

Treasury of Tips & Tricks, -More than 650 paper crafting and rubber stamp projects for beginners and advanced paper crafters.

The Best of Stamp It! Cards is an inspiring collection of more than 500 unique greeting cards to make for a multitude of occasions. These keepsake-quality cards combine stamping with a wide range of techniques that enhance their artistic appeal. Step-by-step instructions explain how to color stamped images with markers, chalk, and watercolor. Some designs feature unique uses of buttons, bows, and all kinds of bling to really make the stamping shine. There are cards with heat embossing, spotlight stamping, masking, and more. There is even a section where three designers use the same stamp set to make completely different cards, demonstrating the versatility of the tools and supplies. Themes range from holidays and birthdays to thanks and friendship, and there are designs for all ages. Surprisingly, many cards require less than 5 steps to complete, so even the busiest persons can find time to create pleasing, personal cards. Novice card makers will find everything they need to get started in this rewarding field, and experienced paper crafters will enjoy spreading their creative wings.

Joy of Card Making, -Over 360 cards, bags, and tags are inspired by 92 design "recipes". Includes handy sketch index.

No one's perfect. At least that's what Lucy Mathews tells herself. Except faced with her boyfriend's rodeo queen ex-wife and perfectly trained Australian shepherd, she has to wonder if maybe this whole 'no one's perfect' thing was made up by someone like...Lucy. Lucky for Lucy though, things are hopping around Helena. It's rodeo season, and she has a booth. It's a great opportunity to expand her clientele and maybe even snag a cash prize for Kiska as the world's first sheep herding malamute. Except Kiska can't herd, Lucy loses her wallet, and oh yeah...there's that dead rodeo queen Lucy just stumbled over. Good thing her boyfriend's a detective. Except that's not going so well either. A new detective is in town, and he's convinced Lucy's involved in the rodeo queen's murder. Her boyfriend is no help at all and worse he's spending a little too much time with his ex-wife. Lucy finds herself out of money, out of love, and maybe this time, out of luck. Don't miss book 1 in the series, Loose Screw, for only 99 cents!

This interactive novelty book invites the reader to take care of a new baby, from feeding and diaper-changing to swaddling and shushing.

"London can be rainy, or it can be sunny. Some Buckingham Palace guards are big, and others are little. Explore opposites through the sights of London..."--Amazon.com.

From beloved children's book creator Crockett Johnson comes the timeless classic Harold and the Purple Crayon! This imagination-sparking picture book belongs on every child's digital bookshelf. One evening Harold decides to go for a walk in the moonlight. Armed only with an oversize purple crayon, young Harold draws himself a landscape full of wonder and excitement. Harold and his trusty crayon travel through woods and across seas and past dragons before returning to bed, safe and sound. Full of funny twists and surprises, this charming story shows just how far your imagination can take you. "A satisfying artistic triumph." —Chris Van Allsburg, author-illustrator of The Polar Express Share this classic as a birthday, baby shower, or graduation gift!

A mother penguin stays very busy taking care of her many babies and teaching them important lessons about such things as sliding, waddling, preening--and love.
