Let me read your mind real quick. You're here because you want to ace your 1L exams. To which I say, "Great, but do you have the secret ingredient?" I'm talking about the essential ingredient that every top law student knows about. I'll give you a hint. It's not found in your casebooks or your professors' lectures. So what's the secret? I'll tell you. The secret is using time-tested outlines to prepare for and master your 1L classes. So now that you know the secret, let's find out why my exclusive 1L outlines will help you ace your law school exams. Best 1L Outlines Hi I'm JD - a BigLaw associate. Like you, when I started law school I felt a tremendous amount of pressure. The pressure to "fit in" during 1L. The pressure to do well on my final exams. And the pressure to land a good job. We all know how important grades are - especially 1L grades - when it comes to succeeding in law school and starting your legal career off on the right foot. But here's the huge problem with law school - your professors hide the ball and only teach you how to "think like a lawyer." They don't teach you how to succeed in law school or ace your exams. And they certainly don't tell you how incredibly difficult it will be to get a good job if you don't finish near the top of your class. You'll have to figure out on your own how to: * Study the law * Outline effectively * Ace your 1L exams Instead of hiding the ball, imagine if someone gave you a roadmap for how to learn the law. An outline to serve as your foundation for law school success. A tool to help you ace your exams. And a way to rise to the top of your 1L class. Sound too good to be true? It's not. I learned early on that I had to uncover the secrets to law school success for myself. After all, 1L grades are simply too important to leave to chance. So what did I do? I read literally every book I could find about how to prepare for 1L, study the law, outline effectively, and ace my 1L exams. It was only after spending hundreds of hours in the library studying, taking practice exams, and perfecting my 1L outlines, that I learned how to crush law school exams. How did I do, you ask? Well friends, I earned numerous Book Awards, finished 1L at the very top of my class, graduated with Latin Honors, and landed a job in BigLaw. As you can see, I've already done the hard work for you. Now it's your turn to enjoy all the benefits of law school success. So I ask you this simple question, "Wouldn't you pay a few bucks for a tool that will help you ace your 1L exams?" I thought so. Then take the first step to achieving your own law school success. Get your copy of the best law school outlines today. Just imagine the big smile on your face when you see A, after A, after A on your 1L report card. This book provides a clear and concise explanation of corporations, agency and partnership, and the other subjects addressed in most Business Associations courses. To accompany its explanations, the guide utilizes a checklist format to lead students through questions they need to ask and issues they need to address, to fully evaluate the agency, partnership or corporations, problems they will face when studying this subject. It also synthesizes the material in a way that most students are unable to do on their own, and organizes the critical issues, presenting a clear guide to analyze business associations issues that students can draw upon when writing their exams. Other study aids provide sample problems, but this book offers a systematic approach to problem solving.
