**Leadership Books to Help You Become a Better Boss**

"Being the Boss: The 3 Imperatives for Becoming a Great Leader" opens with a short script about a new manager, named Jason, and how his morning progresses phone call-by-phone call. This short account demonstrates, painfully, how he is immediately thrown into the deep end with urgent and critical expectations and issues.

Shows executives and managers how to be successful by managing their own time, understanding their place in the larger organization, and uniting their employees for a common purpose.

From the creators of the hit podcast comes an interactive self-help guide for creative entrepreneurs, where they share their best tools and tactics on "being boss" in both business and life. Kathleen Shannon and Emily Thompson are self-proclaimed "business besties" and hosts of the top-ranked podcast *Being Boss*, where they talk shop and share their combined expertise with other creative entrepreneurs. Now they take the best of their from-the-trenches advice, giving you targeted guidance on: *The Boss Mindset*: how to weed out distractions, cultivate confidence, and tackle "fraudy feelings" *Boss Habits*: including a tested method for visually mapping out goals with magical results *Boss Money*: how to stop freaking out about finances and sell yourself (without shame) With worksheets, checklists, and other real tools for achieving success, here's a guide that will truly help you "be boss" not only at growing your business, but creating a life you love.

Are you the boss you need to be? You never dreamed being the boss would be so hard. You're caught in a web of conflicting expectations from your subordinates, from those above you, and from your peers and customers. You're not alone. As Harvard Business School's Linda Hill and manager and executive Kent Lineback reveal in *Being the Boss*, becoming an effective manager is a painful, difficult journey. It requires trial and error, endless effort, and slowly acquired personal insight. Many managers never complete the journey and instead just learn how to get by. At worst, they become terrible bosses. This essential book, now with a new preface, explains how to avoid that fate by mastering three imperatives: Manage yourself: Learn that management isn't about doing all the work on your own. It's about leading others to accomplish things with you as their guide. Manage your network: Understand how power and influence work in your organization, and build a network of mutually beneficial relationships to navigate your company's complex political environment Manage your team: Create a high-performing "we" out of all the "I's" who report to you. Packed with compelling stories and practical advice, *Being the Boss* is an indispensable guide not only for first-time managers but for all managers seeking to master the most daunting challenges of leadership.

An employee's-eye view of what makes a great boss—and how you can become one Whereas most books on managing people approach the subject from the perspective of a manager of an idealised organisation, *Becoming a Better Boss* takes a real-world approach, looking at the topic from the perspective of an employee in a real-world organisation—dysfunctions, warts, and all. Focusing on the choices individual employees make every day in getting work done, this book reinvents the practice of management one employee at a time. Author Julian Birkinshaw stresses the importance of taking management seriously, reveals where management practice often goes wrong, and dives deeply into the worldview of employees. He then explores the common personal biases and frailties of managers and discusses the vital importance of experimentation to overcome the limitations and idiosyncrasies of a particular organisation. Throughout, he supports his assertions with case studies from a wide and varying range of management experiments and situations at real companies. Written by a leading authority on strategy, management, and innovation who is also the author of eleven books, including *Reinventing Management* *Introduces a new approach to management focused on real employees and actual situations* Includes case studies from real organisations *Between the stress of deadlines and the demands of today's business environment, it's easy for managers to lose sight of the importance of people management. Becoming a Better Boss not only shows managers how to lead effectively, but why doing so is vitally important to every organisation's success.*

The author of *Getting from College to Career* reinvents the concept of management for a new generation, offering a fresh and relevant approach to career success that shows them how to make the next step: becoming a leader. We are in the midst of a leadership revolution, as power passes from Baby Boomers to Millennials. All grown up, the highly educated Generation Y is moving into executive positions in corporations and government, as well as running their own businesses, where they are beginning to have a profound impact that will last for decades. Written exclusively for Gen Y readers to address their unique needs, *Becoming the Boss* is a brisk, tech savvy success manual filled with real-world, actionable tips, from an expert they respect and relate to. Lindsey Pollak defines what leadership is and draws on original research, her own extensive experience, and interviews with newly minted Gen Y managers and entrepreneurs around the world to share the secrets of what makes them successful leaders—and shows young professionals how to use that knowledge to rise in their own careers. From learning to develop a style that appeals to your older colleagues, to discovering the key trends affecting your career, to mastering the classic rules of excellence that never go out of style, *Becoming the Boss* helps you identify your next professional move and shows you how to get there.

If your employees brought their "A-Game" to work every day, what would it mean for your company's performance? Studies have repeatedly shown that the majority of employees are disengaged at work. But it doesn't have to be this way. Often, the difference between a group of indifferent employees and a fully engaged team comes down to one simple thing—a great boss. In *How to Be a Great Boss*, Gino Wickman and Rene' Boer present a straightforward, practical approach to help bosses at all levels of an organization get the most from their people. They share time-tested tools that have worked for more than 30,000 bosses in every industry. You can learn to be a great boss—and dramatically improve both your organization's performance and your team's excitement about their work. In this book you will discover: *How to surround yourself with great people* *How to make more effective use of your time* *The difference between leadership and management and why they're equally important* *The five leadership practices and five management practices of all great bosses* *How to create accountability* *How to develop productive, relationships with each of your people* *How to deal with direct reports that don't meet your expectations* *How to Be a Great Boss* provides practical tools that you can apply immediately with your people, allowing you to focus on improving and growing your organization and truly enjoy what you do.

This updated edition tells you what you need to know about managing in a global environment - dealing with social media, managing change, and virtual and remote teams. Congratulations. You got the promotion ? you're finally THE boss. You've been rewarded for knowing your stuff BUT as a first-time manager, you may not know how to be a good manager. Where do you start? How do you get things done? Bob Selden's always practical book offers seasoned advice to help you make a success of your new role.

Now Updated and with New Success Tips! The Great Boss Simple Success Formula: Companies Do What the Boss Does Groom 'em, or Broom 'em Hire Slow, Fire Fast Don't Be Tired The Rule of the Ds Delegate Down, Down, Down Don't Hire a Dog and Bark Yourself Don't Shoot from the Lip Never Be Little, Never Belittle Listen to Phonies, Fools, and Frauds Don't Check Expense Accounts "Quit" Is for Scrabble® It's Okay to Be Quirky Did you ever have a great boss? Everyone should have one, but not enough people do. If you're a boss, or hope to become one, or have a less-than-great boss, then this is the book that could change your career--and your life. In times like these, being a great boss can be harder than ever. If you want surprising and useful advice on how to handle the tough stuff--from having to fire a long-time employee to being a new boss with a demoralized team--the stories, observations, and advice contained in this gem of a book will set your feet in the right direction. And if you just want advice on living up to the legend who preceded you in the job, or even ways to emulate someone who was a great boss to you, Jeffrey Fox has gathered anecdotes from some of the mightiest and most respected bosses in America. The bestselling author who brought you *How to Become CEO* and *How to Become a Rainmaker* knows the territory about which he speaks. Fox is the master of the counterintuitive angle. For every boss who has implied "I know what's best, that's why I'm the boss," Fox counsels, "Listen to Phonies, Fools, and Frauds" and "Don't Check Expense Accounts." His stories from bosses who have cared equally for employees' lives and the bottom line will inspire you to see that profit counts, but so do camaraderie, motivation, and a great place to work. In a time of considerable corporate downsizing, it's more important than ever for bosses to surround themselves with motivated employees. Jeffrey Fox's *How to Become a Great Boss* will have a place on the shelves of top brass everywhere who want to remain leaders of their pack.
