You can remove these stains debris with the Bissell Dirtlifter PowerBrush. Before operating the machine, move furniture out of the way and plan to give your carpet two to three hours to dry before walking on it. The machine requires water; hot water is efficient at loosening stains. Allow the tap water to heat up before adding it to the machine.

"Here is a volume that has no parallel. . . . A good reference book for those interested in the details of avian anatomy."--Science Books & Films "A gold mine of facts. . . . Every library and biology department, as well as every birder, should have a copy close at hand."--Roger Tory Peterson, from the foreword One of the most heavily illustrated ornithology references ever written, Manual or Ornithology is a visual guide to the structure and anatomy of birds--a basic tool for investigation for anyone curious about the fascinating world of birds. A concise atlas of anatomy, it contains more than 200 specially prepared accurate and clear drawings that include material never illustrated before. The text is as informative as the drawings; written at a level appropriate to undergraduate students and to bird lovers in general, it discusses why birds look and act the way they do. Designed to supplement a basic ornithology textbook, the Manual of Ornithology covers systematics and evolution, topography, feathers and flight, the skeleton and musculature, and the digestive, circulatory, respiratory, excretory, reproductive, sensory, and nervous systems of birds, as well as field techniques for watching and studying birds. Each chapter concludes with a list of key references for the topic covered, with a comprehensive bibliography at the end of the volume.

Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

Your fool-proof guide to paying off debt, planning for the future, and breaking free of our debt-loving culture. The consumer credit industry wants us to believe that debt is necessary to bridge the gap between our pitiful incomes and the lifestyles we desire. But the problem is not that we don't have enough money. It's that we don't know how to manage the money we already have. And until we learn that, more money will never be enough. In this life-changing book, Mary Hunt shows you how to live a rich, fulfilling life without any consumer debt. By applying her simple principles and specific methods, you will learn how to effectively manage and maximize the money you have. No more guessing, wondering, or worrying. Just peace and a more abundant life. What have you got to lose?
