This expanded edition of *The Complete Guide: Build Your Kids a Treehouse* covers every aspect of treehouse building, from choosing a tree and safety considerations to adding interior furniture and even a zip line. Now featuring two all-new treehouse plans with step-by-step photo-illustrated instruction. For kids, a treehouse is a room that never has to be cleaned, a place for muddy shoes and bug jars and adventures real and imagined; a house that you can paint whenever and however you want, without gaining approval. For adults, it's a room that never has to be cleaned, a place for muddy shoes and...well, you get the idea. But best of all a treehouse is up in a tree. And that's just cool. Filled with inspiring photos of finished treehouses and easy-to-follow instructions for building your own, learn with your family treehouse basics—choosing a tree, planning and design, treehouse safety—followed by building techniques for: Platforms designed for various tree configurations Framing and finishing walls and railings Finishing interiors with paneling, shelves, and flip-down tables and bunks Doors, both classic and in fun shapes Windows, including shutters and pop-ups Building and framing roofs Modes of access, including ladders, stairs, trap doors, and a fireman's pole
