The first step to implementing kaizen in any organization is to provide training on the Toyota Production System (TPS). This title provides this training material and explains why the TPS tools, including kaizen, must work in tandem with a fresh way of thinking to bring about cultural change. It also includes reusable charts and forms.

A world list of books in the English language.

A comprehensive reference manual to the Certified Six Sigma Black Belt Body of Knowledge and study guide for the CSSBB exam.
