Building Christian English Series Answer

Building Christian English Series. Rod and Staff English is a unique blend of grammar and composition (writing) that produces outstanding results. Add Spelling by Sound and Structure to build word power, and Rod and Staff's reading (literature) to complete a thorough Language Arts Program. A good understanding of language is basic to the study of any subject and for communicating with others.

for grades two through ten is excellent for those who prefer a formal academic approach and don ' t need any fluff. Comprehensive coverage, clear explanations, examples, and plenty of practice provide a solid, if unexciting, foundation in the language arts. A great deal of scriptural content, as well as frequent references to farm life, also serve to differentiate this program ' s content from most others.

The Circle of Knowledge is an informative book that was designed in 1917, to be both inspiring and entertaining. The book represents the modern, progressive spirit which fits that time, in its forms of expression and its editorship. The purpose of this work is to answer the why, who, what, when, where, how of the wide majority of curious minds, both young and adult, and encourage them to raise further questions. Special measures were taken in creating this work to

isolate essentials from non-essentials; to differentiate human interest subjects of universal significance from those of little concern; to deliver living truths instead of dead vocabulary; and finally, to bring the whole within the knowledge of the intermediate reader, without regard to age, in an acceptable and exciting form. The use of visual outlines and tables; maps, drawings, and diagrams; the illustrated works of great painters, sculptors, and architects all are used to give the reader the valuable and cultural knowledge of past and present.
