Appropriate for Introduction to Business courses at both the university and college levels.Back by popular demand, Business Essentials, Canadian Second Edition, is the perfect option for those who want a no-nonsense approach for an introduction to business course. It retains the smooth, conversational writing style, extensive pedagogy, and well-integrated supplements package of the big Business book. Thoroughly updated and condensed, this text engages the reader by providing accurate and focused coverage in a brief, inexpensive, and high-quality format. Not only does this book reflect the changes occurring in the practice of business, it also meets the changing needs of students and teachers in the field.

Business Essentials' focus on practical skills, knowledge of the basics, and important developments in business makes for a brief book, but a rich experience. The recent events in domestic and global economies are presenting unprecedented challenges, excitement, and disappointments for business—and a need for a change in the Introduction to Business course and text. This text captures the widespread significance of these developments and presents their implications on businesses today. Note: This is the standalone book, if you want the book/access card order the ISBN below: 013303402X / 9780133034028 Business Essentials Plus NEW MyBizLab with Pearson eText -- Access Card Package Package consists of: 013266402X / 9780132664028 Business Essentials 013266514X / 9780132665148 2012 MyBizLab with Pearson eText -- Access Card -- for Business Essentials

For Introduction to Business courses. This best-selling text by Ricky Griffin and Ronald Ebert provides students with a comprehensive overview of all the important functions of business. Each edition has introduced cutting-edge firsts while ensuring the underlying principles that guided its creation, Doing the Basics Best, were retained. The seventh edition focuses on three simple rules- Learn, Evaluate, Apply. - NEW- Chapter 2: Understanding the Environments of Business - This new chapter puts business operations in contemporary context, explaining the idea of organizational boundaries and describing the ways in which elements from multiple environments cross those boundaries and shape organizational activities. This chapter sets the stage as an introduction to some of the most important topics covered in the rest of the book, for example: - The Economics Environment includes the role of aggregate output, standard of living, real growth rate; GDP per capita; real GDP; purchasing power parity; and the Consumer Price Index. - The Technology Environment includes special attention to new tools for competitiveness in both goods and services and business process technologies, plus e

For Introduction to Business courses. Focus on the practical skills and important developments in business The recent events in domestic and global economies are presenting unprecedented challenges, excitement, and disappointments for business—and a need for a change in Introduction to Business courses and texts. Business Essentials captures the widespread significance of these developments and presents their implications on businesses today. The Eleventh Edition includes new real-world examples and research findings, helping students to see how entrepreneurs are putting into practice the concepts that they are learning, and making this text the most current and relevant one available on the market today. Also Available with MyBizLab © This title is available with MyBizLab—an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. NOTE: You are purchasing a standalone product; MyBizLab does not come packaged with this content.
