Chapter 3: Productivity, Innovation, and Strategy ...

Considering the examples of Australia and the Pacific Rim, Growth and Productivity in East Asia offers a contemporary explanation for national productivity that measures contributions not only from capital and labor, but also from economic activities and relevant changes in policy, education, and technology. Takatoshi Ito and Andrew K. Rose have organized a group of collaborators from several ...

Growth and Productivity in East Asia | NBER

In Pursuit of Leviathan traces the American whaling industry from its rise in the 1840s to its precipitous fall at the end of the nineteenth century. Using detailed and comprehensive data that describe more than four thousand whaling voyages from New Bedford, Massachusetts, the leading nineteenth-century whaling port, the authors explore the market for whale products, crew quality and labor ...
