Sick System (Part 1)

The big news about the "Loki" finale, as it turned out, is that it wasn't really a finale at all, but rather more of a beginning than an ending.

'Loki's' audacious ending is really just the beginning of Marvel's next chapter. More incidents of abuse and misconduct have been uncovered, with little in the way of accountability or systemic change.

Months after National Federation of the Blind's abuse scandal, survivors
