alone at night with her two small children, trying to get to her dying mother that lived in North Carolina, they became stranded on an open highway. Their cell phones and tablets needed to be charged. The car charger was thrown out by mistake at a rest area forty-five miles behind them, and the mother did the unthinkable to save her own son ' s life while trying to get to her dying mother. Will a stranger help them, or is there someone hiding in the woods as the dim part of twilight came before the dark of night?

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don ' t perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised
