Oh man, I HATED this book. In this short story collection, Rick Moody artfully applies all of the worst elements of fiction to create saccharine, predictable stories about character that are flat and unsympathetic. I was thrilled when bad stuff happened to them.

Bizarre content and rhetorical overkill are the salient features of this oddball gathering of 13 short fictions (some aren't precisely stories), by the young author of *Purple America* (1997) and *The Ice Storm* (1994), among others. Moody's characters are casualties of various culture and gender wars, whose private battles are recounted in bursts of staccato sentence fragments ripe with the effluvia of psychic dislocation and sexual dysfunction, danced to a heavy thrum of rock music ...

Francisco Examiner). His remarkable short stories have led both the New Yorker and Harpers to single him out as one of the most original and admired voices in a generation. These stories are abundant proof of Rick Moody's grace as a stylist and a shaper of interior lives. He writes with equal force about the blithe energies of youth ("Boys") and the rueful onset of middle age ("Hawaiian Night"), about Midwestern optimists ("Double Zero") and West coast strategists ("Baggage Carousel"), about visionary exhilaration ("Forecast from the Retail Desk") and delusional catharsis ("Surplus Value Books: Catalog Number 13.") The astounding title story, which has already been reprinted in four

Offers a collection of stories about youth and middle age, the Midwest and the West Coast, and other topics.

A son is tasked with an impossible decision in this poignant, astutely observed portrait of a family in crisis from the author of *The Ice Storm*. While visiting his mother, Billie, who suffers from a degenerative neurological disease that has left her paralyzed and unable to speak, Dexter “Hex”

Raitliffe learns that his stepfather, Billie's husband and caretaker, has left her. Alone and incapable of living on her own, Billie makes an unfathomable request of Hex: to assist her in committing suicide. Perpetually indecisive, paralyzed by self-doubt, and hindered by an unshakable stutter, Hex sets out to confront his stepfather, only to find himself facing off against his own struggles—with intimacy and alcoholism—along the way. Back in the suburbs of his youth, Hex experiences the lull of nostalgia as well as the sting of painful memories like his father's death as he tries to reconcile his mother's fate and his own wavering identity. Author Rick Moody evokes this singular

York City's underworld. Whether they're grasping for connection or struggling to survive in a dismal and indifferent environment, these individuals' haunting voices and the evocative worlds they inhabit make for a diverse and powerful volume. Experimenting with form—one story is told as a term paper, another as an annotated bibliography—Moody demonstrates the vast range of his fascinations and talents, as well as his arresting command of language. Candid depictions of contemporary society and the inner-workings of distinctive characters' minds bring these inquisitive, heartrending, and at times undeniably funny accounts to life. Do you believe there are ghosts and demons and Diviners among us? Evie O'Neill has been exiled from her boring old hometown and shipped off to the bustling streets of New York City--and she is pos-i-tute-ly ecstatic. It's 1926, and New York is filled with speakeasies, Ziegfield girls, and rakish pickpockets. The only catch is that she has to live with her Uncle Will and his unhealthy obsession with the occult. Evie worries he'll discover her darkest secret: a supernatural power that has only brought her trouble so far. But when the police find a murdered girl branded with a cryptic symbol and Will is called

to the scene, Evie realizes her gift could help catch a serial killer. As Evie jumps headlong into a dance with a murderer, other stories unfold in the city that never sleeps. A young man named Memphis is caught between two worlds. A chorus girl named Theta is running from her past. A student named Jericho hides a shocking secret. And unknown to all, something dark and evil has awakened.... Printz Award-winning and New York Times bestselling author Libba Bray opens a brand-new historical series with *The Diviners*, where the glittering surface of the Roaring Twenties hides a mystical horror creeping across the country.

The national bestseller and basis for the Ang Lee film is a “powerful” novel of two troubled families during a blizzard in 1970s suburban Connecticut (Newsday). A potentially devastating blizzard approaches New Canaan, Connecticut, while internal forces of desire, frustration, and ennui threaten to tear apart two quintessentially affluent, suburban families. Elena Hood rightfully suspects her husband, Benjamin, is having an affair with neighbor Janey Williams, while Benjamin resents Elena and his mounting feelings of ineptitude. As the snow begins to fall, Benjamin and Elena, as well as Janey and her husband, attend a neighborhood “key party,” where they and other respectable

suburbanites agree to go home with whomever's keys they draw from a bowl. Meanwhile, the Hoods' and Williams's teenage children are caught up in their own experimentations with sex and drugs as they test the boundaries of their structured upbringing. With author Rick Moody's sharp eye for the nuances of suburban life and allusions to 1970s America from Watergate to the Fantastic Four, the novel's landscape is vivid and immersive. This timeless, unforgettable novel is a compassionate portrayal of flawed characters and reflects Rick Moody's sharp eye for the contradictions of suburban life. A BEST BOOK OF THE YEAR: NPR, National Post BEST BOOKS FOR GIFTING 2015: Vanity Fair "This is Moody's best novel in many years...a book of irony and wit and heartbreak." --Dwight Garner, New York Times From the acclaimed Rick Moody, a darkly comic portrait of a man who comes to life in the most unexpected of ways: through his online reviews. Reginald Edward Morse is one of the top reviewers on RateYourLodging.com, where his many reviews reveal more than just details of hotels around the globe--they tell his life story. The puzzle of Reginald's life comes together through reviews

that comment upon his motivational speaking career, the dissolution of his marriage, the separation from his beloved daughter, and his devotion to an amour known only as "K." But when Reginald disappears, we are left with the fragments of a life--or at least the life he has carefully constructed--which writer Rick Moody must make sense of. An inventive blurring of the lines between the real and the fabricated, *Hotels of North America* demonstrates Moody's mastery ability to push the bounds of the novel.

Moody, author of *The Ice Storm*, delves into not only his own tormenting struggle with depression and alcoholism but also the pathos inherent in American society. Beginning with his childhood and widening his gaze to his ancestral past, Moody elegantly details the events that led him to admit himself to a psychiatric hospital. Seeking explanations for his inner demons, Moody traces his lineage back to Joseph "Handkerchief" Moody. In early-eighteenth-century Maine, Joseph accidentally killed his childhood friend and wore a handkerchief over his face for the rest of his life as a self-imposed punishment. His story stirs within Moody a drive to understand his own failings

through a study of American violence from colonial times to the 1999 massacre at Columbine High School. Remarkably broad in scope and full of Moody's witticisms and brilliantly crafted prose, *The Black Veil* is an extraordinary exploration of both personal and cultural shame that transcends the expectations of a memoir. This ebook features an illustrated biography of Rick Moody including rare images from the author's personal collection.

Six terrifying tales to chill the blood from the unique imagination of Joyce Carol Oates. A young boy plays with dolls instead of action figures. But as he grows older, his passion takes on a darker edge... A white man
