Workbooks | DK US

Created for children between the ages 5 and 6 in kindergarten, DK Workbooks: Math: Kindergarten contains exercises on sorting objects into sets, counting to twenty, comparing shapes, writing time, and other fundamentals of math. The 60-page workbook provides supplemental practice pages to a larger math curriculum. Like all DK workbooks, the pages are glossy, of which I am not a fan. I honestly would stick to Math Made Easy and skip DK Workbooks: Math: Kindergarten.
