|There are monsters among us. There always have been and there always will be. I've known that ever since I can remember, just like I've always known I was one! |Well, half of one, anyway.| Welcome to the Big Apple. There's a troll under the Brooklyn Bridge, a boggle in Central Park, and a beautiful vampire in a penthouse on the Upper East Side,and that's only the beginning. His father's dark lineage is the stuff of nightmares,and he and his entire otherworldly race are after Cal. Why? Cal hasn't exactly wanted to stick around long enough to find out. He and his half-brother Niko have managed to stay a step ahead for three years, but now Cal's dad has found them again. And Cal is about to learn why they want him, why they've always wanted him!for he is the key to unleashing their hell on earth. The fate of the human world will be decided in the fight of Cal's life!

People die. Everyone knows that. I knew it intimately as everyone in my life died thanks to my one seemingly harmless mistake. I'd brought down Heaven, lifted up Hell, and set the world on fire, all due to one slip of the memory. I forgot the pizzas... Caliban is a dead man. The Vigil, a group devoted to concealing the paranormal from humanity, has decided Cal has stepped out of the shadows once too often, and death is the only sentence. They plan to send a supernatural assassin into the past to take down the younger, less lethal Cal. But things change when The Vigil makes one last attempt on Caliban's life in the presentand end up destroying everyone and everything he cares about. Now, Cal has to save himself, warn those closest to him, and kill every Vigil bastard who stole his world. But if he fails, he and everyone in his life will be history!

Half-human/half-monster Cal Leandros knows that family is a pain. But now that pain belongs to his half-brother, Niko. Niko's shady father is in town, and he needs a big favor. Even worse is the reunion being held by the devious Puck race-including the Leandros' friend, Robin- featuring a lottery that no Puck wants to win. As Cal tries to keep both Niko and Robin from paying the ultimate price for their kin, a horrific reminder from Cal's own past arrives to remind him that blood is thicker than water-and that's why it's so much more fun to spill.

At last, Jackson has left his troubled past behind and found a semblance of peace. That is, until the government blackmails him.
