It is 1492, and Andalusia is being destroyed the victims have no one to look to except for a Sultan a sea away.1492 The Gates of Heaven is a work of historical fiction about the story of the expulsion of Jews and Muslims from Andalusia and Ottoman Sultan Bayezid II's humanitarian rescue of these victims of persecution from the horrors of the Spanish Inquisition. Set against the historical backdrop of the fall of Granada, Columbus voyage to the New World and the advent of the printing press, this epic novel brings to life a lesser known, yet no less important, episode in the history of the encounters between the Ottoman Empire and Europe in vivid detail. An epic tale of adventure from the Atlantic to the far reaches of the Mediterranean, The Gates of Heaven is also an ode to lost Andalusia and a tale of humanitarianism so often not heeded even in the twenty first century.

Inspired by the classic song, this magical story from the New York Times bestselling author of Always and Blackberry Winter tells the tale of a woman with the unusual gift to see true love—but will she be able to find it for herself before it's too late? Born during a

Christmas blizzard, Jane Williams receives a rare gift: the ability to see true love. In spite of her unique talent, Jane has emerged from an ailing childhood a lonely, hopeless romantic without love on her life. On her twenty-ninth birthday, a mysterious greeting card arrives. The card specifies that Jane must identify the six types of love before the full moon following her thirtieth birthday—or face grave consequences. But when Jane at last falls for a science writer who doesn't believe in love, she fears that she may never accomplish her task—and that her loveless fate may be sealed... “Jio has become one of the most-read women in America.”—*Woman's World*

In the heat of the desert, a scorching love rises between a restless viscount and a beauty in disguise in this novel by a New York Times-bestselling author. Desperate to find safety in England, Zenia, the descendent of the Queen of the Desert, dresses herself as a Bedouin boy. For protection, she agrees to guide Arden, the Lord of Winter, through the wilds of her dangerous desert homeland as he searches for a legendary Arabian mare. Consigned by her mother to live disguised, Zenia hasn't the courage to admit her sex to Arden. Yet, as they cross a merciless desert, she comes to yearn for this fearless, untamable man to know the feminine heart beating beneath her Bedouin rags. Lord Winter's loneliness and adventurous spirit have always driven him to the empty, brutal places of the Earth. With Zenia at his side, his loneliness recedes. One night of terror will bind their souls together, but when the princess escapes her homeland for the comfort and safety of England, his yearning will lead him to invade her sanctuary . . . The Dream Hunter is a suspenseful, adventure-filled tale that establishes Laura Kinsale as “the gold standard in historical romance” (Lisa Kleypas).

First published in 2008. Routledge is an imprint of Taylor & Francis, an informa company.

Discusses the psychological desire of many women to be taken care of, to have someone else take the responsibility for them, and the need for women to reeducate themselves out of such dependency
