Top 8 Free Online Style Guides in English - ThoughtCo
A style guide saves documentarians time and trouble by providing a single reference for writing about common topics, features, and more. The guidelines in a style guide help writers to produce documentation that has the same tone and grammatical style, regardless of who writes the documentation.

Style Guides — Write the Docs
A style guide, or style manual, is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents. A set of standards for a specific organization is often known as "house style". Style guides are common for general and specialized use, for the general reading and writing audience, and for students
