programmable ECU or  
a stand-alone fuel  
management system.

The M4 supports up  
to 4 high-flow  
injectors in sequential  
mode. I just wanted to  
know if anyone knew  
how much it was. I  
tried looking but know  
one posted a price.

Also, they make it  
sound like it is easy to  
set up, is it? I dont

# Online Library Engine

think it is but I was  
just curious.

Anyone know how  
much the MoTec M4  
costs? - Pelican Parts

...

EMS stands for  
Engine Management  
System which  
consists of a wide  
range of electronic  
and electrical  
components such as

# Online Library Engine

sensors, relays, actuators, and an Engine Control Unit.

They work together to provide the Engine Management System with vital data parameters. These are essential for governing various engine functions effectively.
