Ethical Theory and Moral Practice aims to publish work on (meta-)ethical theories that contributes to clarifying and solving practical moral problems, as well as work that makes empirical studies of moral practices and problems relevant for ethical theorizing. It is also interested in work that critically reflects on the plausibility and practicability of ethical theories in the light of insights from empirical sciences.

Ethics. Human Nature and Morality - Socialist Standard (1989) After Marx died there grew up a legend that his theory of social causation was too narrowly mechanistic to provide accommodation for any sort of ethics. No doubt Marx, in combating the sentimental "moralising" of certain utopian contemporaries who called themselves "the True ...

Ethics: theory and practice. Outweighing. In ethical discussions, arguments are repeatedly put forward which are worded in many different ways but which involve ethical 'outweighing.'.

~~Ethics: theory and practice~~

The "theory in practice" and "pause for reflection" sections are very well designed, and extremely helpful in highlighting the practical implications of theory. From my initial reading of the book, I think it could be a very useful resource for both undergraduate and postgraduate students - as part of a business ethics and/or management course.
