The most comprehensive anthology of primary sources available, spanning the entire history of the American civil rights movement. A record of one of the greatest and most turbulent movements of this century, The Eyes on the Prize Civil Rights Reader is essential for anyone interested in learning how far the American civil rights movements has come and how far it has to go. Included are the Supreme Court's Brown vs Board of Education decision in its entirety; speeches by Martin Luther King, Jr., and his famous "Letter from Birmingham City Jail"; an interview with Rosa Parks; selections from Malcolm X Speaks; Black Panther Bobby Seale's Seize the Time; Ralph Abernathy's controversial And the Walls Came Tumbling Down; a piece by Herman Badillo on the infamous Attica prison uprising; addresses by Harold Washington, Jesse Jackson, Nelson Mandel, and much more. “ An important volume for students and professionals who wish to grasp the basic nature of the civil rights movement and how it changed America in fundamental ways. ” —Aldon Morris, Northwestern University

passage of the Voting Rights Act in 1965. This is a companion volume to the first part of the acclaimed PBS series.

“ [TRUE SOUTH] does several things at once. On one level, it ’ s a biography . . . On another, it ’ s a lucid recap of many of the signal events of the civil rights movement . . . A warm and intelligent book. ” —The New York Times “ No one is better suited to write this moving account of perhaps the greatest American documentary series ever made. . . . [Else] tells the story with the compassion and eloquence it deserves. ” —Adam Hochschild, author of KING LEOPOLD ’ S GHOST, BURY THE CHAINS, and TO END ALL WARS The inside story of Eyes on the Prize, one of the most important and influential TV shows in history. Published on the 30th anniversary of the initial broadcast, which reached 100 million viewers. Henry Hampton ’ s 1987 landmark multipart television series, Eyes on the Prize, an eloquent, plainspoken chronicle of the civil rights movement, is now the classic narrative of that history. Before Hampton, the movement ’ s history had been written or filmed by whites and weighted heavily toward Dr. King ’ s telegenic leadership. Eyes on the Prize told the story from the point of view of ordinary people inside the civil rights movement. Hampton shifted the focus from victimization to strength, from white saviors to black courage. He recovered and permanently fixed the images we now all remember (but had been lost at the time)—Selma and Montgomery, pickets and fire hoses, ballot boxes and mass meetings. Jon Else was Hampton ’ s series producer and his moving book focuses on the tumultuous eighteen months in 1985 and 1986 when Eyes on the Prize was finally created. It ’ s a point where many wires cross: the new telling of African American history, the complex mechanics of documentary making, the rise of social justice film, and the politics of television. And because Else, like Hampton and many of the key staffers, was himself a veteran of the movement, his book braids together battle tales from their own experiences as civil rights workers in the south in the 1960s. Hampton was not afraid to show the movement ’ s raw realities: conflicts between secular and religious leaders, the shift toward black power and armed black resistance in the face of savage white violence. It is all on the screen, and the fight to get it all into the films was at times as ferocious as the history being depicted. Henry Hampton utterly changed the way social history is told, taught, and remembered today.

A documentary of the destructive powers of segregation and apathy as written from the experiences and insights of a Southerner

Winner of the Pulitzer Prize: The definitive biography of Martin Luther King Jr. In this monumental account of the life of Martin Luther King Jr., professor and historian David Garrow traces King ’ s evolution from young pastor who spearheaded the 1955–56 bus boycott of Montgomery, Alabama, to inspirational leader of America ’ s civil rights movement. Based on extensive research and more than seven hundred interviews, with subjects including Andrew Young, Jesse Jackson, and Coretta Scott King, Garrow paints a multidimensional portrait of a charismatic figure driven by his strong moral obligation to lead—and of the toll this calling took on his life. Bearing the Cross provides a penetrating account of King ’ s spiritual development and his crucial role at the Southern Christian Leadership Conference, whose protest campaigns in Birmingham and Selma, Alabama, led to enactment of the landmark Civil Rights Act of 1964 and Voting Rights

Act of 1965. This comprehensive yet intimate study reveals the deep sense of mission King felt to serve as an unrelenting crusader against prejudice, inequality, and violence, and his willingness to sacrifice his own life on behalf of his beliefs. Written more than twenty-five years ago, *Bearing the Cross* remains an unparalleled examination of the life of Martin Luther King Jr. and the legacy of the civil rights movement.

This book was first published in 2003. As World War II drew to a close and the world awakened to the horror wrought by white supremacists in Nazi Germany, African American leaders, led by the NAACP (National Association for the Advancement of Colored People), sensed the opportunity to launch an offensive against the conditions of segregation and inequality in America. The 'prize' they sought was not civil rights, but human rights. Only the human rights lexicon, shaped by the Holocaust and articulated by the United Nations, contained the language and the moral power to address not only the political and legal inequality but also the education, health care, housing, and employment needs that haunted the black community. But the onset of the Cold War and rising anti-communism allowed powerful Southerners to cast those rights as Soviet-inspired. Thus the Civil Rights Movement was launched with neither the language nor the mission it needed to truly achieve black equality.

A documentary is being filmed. A cell phone rings, playing the "Rocky" theme song. The filmmaker is told she must pay \$10,000 to clear the rights to the song. Can this be true? "Eyes on the Prize," the great civil rights documentary, was pulled from circulation because the filmmakers' rights to music and footage had expired. What's going on here? It's the collision of documentary filmmaking and intellectual property law, and it's the inspiration for this new comic book. Follow its heroine Akiko as she films her documentary, and navigates the twists and turns of intellectual property. Why do we have copyrights? What is "fair use"? *Bound By Law* reaches beyond documentary film to provide a commentary on the most pressing issues facing law, art, property and an increasingly digital world of remixed culture.
