Bible classes, family study, or personal study. The class book material is suitable for teens and adults. Questions in the lessons contain minimal human commentary, but instead guide students to study to understand Scripture. Enough questions are included for teachers to assign as many questions as they want for each study session. The course assignments may proceed at whatever speed and depth will best accomplish the needs of the students.

This Bible study is based on God's inerrant Word. This study is laid out into thirty-two sessions that can be completed in one school year. It can be tailored to a junior/senior high school class setting, a two-semester college-level setting, or to a less-formal teen or adult Bible study group setting. Learning is reinforced by students reading the Word, then hearing the Word, and then writing about the Word. Each session covers main events and/or people relevant to the Bible's main message. The main message is that God's plan to save a fallen world was accomplished through the redemptive act of his son, Jesus, who died on the cross and rose from the grave. For all who believe in Jesus, he will grant eternal life. By the time you complete all thirty-two sessions, you will have spent time in every one of the sixty-six books in the Bible. In the teacher's copy, detailed information is provided to help the teacher design his or her course that will be
