iPads in the classroom. No matter how much or how little iPads will be used in the classroom, the manual will provide a hand in improving iPad use in the classroom for teachers. The teacher manual, *I Have a New iPad, Now What?*, will provide details on why using iPads in the classroom is so important. It will supply the reader with information on the iPad's multiple functions and how it used. Some findings will allow the reader to see how the iPad can be used as assistive technology in the classroom. *I Have a New iPad, Now What?*, will review the proper teaching tools such as an Apple T.V. and Reflector app. A section will focus on the international classroom; using Skype, Google hangouts, Twitter, and Google Docs to communicate with other teachers and students from around the world. Last but not least, the

teacher manual, I Have a New iPad, Now What?, will review apps that teachers should be using in their classroom. Some background will be provided on how to use these apps with the students. The ultimate goal is for teachers who are new to using iPads in the classroom, is to gain a sense of how and why using iPads is so important. Not only is education being taken over by technology, but our children today are so technologically advanced as teachers we must be brought up to speed.

The 7th generation iPad is the latest version of Apple's most popular tablet. It comes with a 10.2-inch screen, which is 0.5 inches larger than its predecessor. It also runs iPadOS (Apple's first-ever operating system dedicated to a tablet)
