He Forgot To Say Goodbye

He Forgot to Say Goodbye is a story of Jake and Ram, two teenagers with seemingly different lives who have one thing in common- their fathers left them. The story is told through monologues that, at times, get repetitive when Saenz would recall describe the same scene twice through each characters' point of view.

"He forgot to say goodbye" describes the pain felt by two teens from radically different backgrounds--Ramiro Lopez and Jake Upthegrove, both of whose families were abandoned by their fathers when they were young.

He Forgot to Say Goodbye - Walmart.com - Walmart.com

Basically, if the characters in He Forgot To Say Goodbye go somewhere deep, what they say is usually genuine and meaningful. That said, there are times when the teenage characters don't really sound like teenagers, such as when they are being deep, handwriting notes, or conversing with each other.

"I mean, it's not as if I want a father. I have a father. It's just that I don't know who he is or where he is. But I have one." Ramiro Lopez and Jake Upthegrove don't appear to have much in common. Ram lives in the Mexican-American working-class barrio of El Paso called "Dizzy Land." His brother is sinking into a world of drugs, wreaking havoc in their household. Jake is a rich West Side white boy who has developed a problem managing his anger. An only child, he is a misfit in his mother's shallow and materialistic world. But Ram and Jake do have one thing in common: They are lost boys who have never met their fathers. This sad fact has left both of them undeniably scarred and obsessed with the men who abandoned them. As Jake and Ram overcome their suspicions of each other, they begin to move away from their loner existences and realize that they are capable of reaching out beyond their wounds and the neighborhoods that they grew up in. Their friendship becomes a healing in a world of hurt. San Antonio Express-News wrote, "Benjamin Alire Sáenz exquisitely captures the mood and voice of a community, a culture, and a generation"; that is proven again in this beautifully crafted novel.

For use in schools and libraries only. Ram and Jake do have one thing in common: They are lost boys who have never met their fathers. As Jake and Ram overcome their suspicions of each other, their friendship becomes a healing in a world of hurt.

Two teenaged boys with very different lives find that they share a common bond--fathers they have never met who left when they were small boys--and in spite of their differences, they become close when they each need someone who understands.

"Sáenz' poetic narrative will captivate readers from the first sentence to the last paragraph of this beautifully written novel. . . . It is also a celebration of life and a song of hope in celebration of family and friendship, one that will resonate loud and long with teens."—Kirkus Reviews "... There is never a question of either Sáenz's own extraordinary capacity for caring and compassion or the authenticity of the experiences he records in this heartfelt account of healing and hope."—Booklist "Offering insight into [an adolescent's] addiction, dysfunction and mental illness, particularly in the wake of traumatic events, Sáenz's artful rendition of the healing process will not soon be forgotten."—Publishers Weekly "Sáenz weaves together [18-year-old] Zach's past, present, and changing disposition toward his future with stylistic grace and emotional insight. This is a powerful and edifying look into both a tortured psyche and the methods by which it can be healed."—School Library Journal Zach is eighteen. He is bright and articulate. He's also an alcoholic and in rehab instead of high school, but he doesn't remember how he got there. He's not sure he wants to remember. Something bad must have happened. Something really, really bad. Remembering sucks and being alive—well, what's up with that? I have it in my head that when we're born, God writes things down on our hearts. See, on some people's hearts he writes Happy and on some people's hearts he writes Sad and on some people's hearts he writes Crazy on some people's hearts he writes Genius and on some people's hearts he writes Angry and on some people's hearts he writes Winner and on some people's hearts he writes Loser. It's all like a game to him. Him. God. And it's all pretty much random. He takes out his pen and starts writing on our blank hearts. When it came to my turn, he wrote. I don't like God very much. Apparently he doesn't like me very much either. Sad Benjamin Alire Sáenz is a prolific novelist, poet, and author of children's books. Sammy and Juliana in Hollywood, his first novel for young adults, was a finalist for the Los Angeles Times Book Prize and a Young Adult Library Services Association Top Ten Books for Young Adults pick in 2005.

As a Chicano boy living in the unglamorous town of Hollywood, New Mexico, and a member of the graduating class of 1969, Sammy Santos faces the challenges of "gringo" racism, unpopular dress codes, the Vietnam War, barrio violence, and poverty.

Fifteen-year-old Ari Mendoza is an angry loner with a brother in prison, but when he meets Dante and they become friends, Ari starts to ask questions about himself, his parents and his family that he has never asked before.

A #1 New York Times bestseller Four starred reviews! "Messily human and sincerely insightful." —Kirkus Reviews (starred review) The highly anticipated sequel to the critically acclaimed, multiple award-winning novel Aristotle and Dante Discover the Secrets of the Universe is an "emotional roller coaster" (School Library Journal, starred review) sure to captivate fans of Adam Silvera and Mary H.K. Choi. In Aristotle and Dante Discover the Secrets of the Universe, two boys in a border town fell in love. Now, they must discover what it means to stay in love and build a relationship in a world that seems to challenge their very existence. Ari has spent all of high school burying who he really is, staying silent and invisible. He expected his senior year to be the same. But something in him cracked open when he fell in love with Dante, and he can't go back. Suddenly he finds himself reaching out to new friends, standing up to bullies of all kinds, and making his voice heard. And, always, there is Dante, dreamy, witty Dante, who can get on Ari's nerves and fill him with desire all at once. The boys are determined to forge a path for themselves in a world that doesn't understand them. But when Ari is faced with a shocking loss, he'll have to fight like never before to create a life that is truthfully, joyfully his own.

Presents a collection of short stories about contradiction and conflict in the lives of those who reside on the border lands around the Rio Grande.

Abducted at the age of seven and taken to the home of respected writer and academic Thomas Blacker, Gloria Santos is confined in the basement for the next twenty years by a man who assumes the role of father, lover, teacher, and abusive captor

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.
