Clay Clarkson is the executive director of Whole Heart Ministries ([www.wholeheart.org](http://www.wholeheart.org)) and the author of numerous books, including *Our 24 Family Ways*, *Heartfelt Discipline*, and *Educating the ...*

Trying to understand what God really says about childhood discipline can be like putting together a puzzle, but the pieces just don't all seem to fit. For two generations conservative Christians have rejected the idea of a permissive "hands off" discipline and adopted a strict "hands on" discipline taught by many well-known Christian parenting authorities. In "Heartfelt Discipline," Clay Clarkson advocates a different biblical model—a relational "hands around" discipline. If you have young children and are beginning to try to solve the discipline puzzle for your family, start with this book. It is a fresh, formula-free, and fully biblical perspective on childhood discipline that will change the way you think about your children. You'll see how all the biblical pieces fit together and make sense, and put you on the path to your child's heart. From the Back Cover: Childhood discipline is your responsibility. As a Christian parent, you know your children need you to "bring them up in the discipline and instruction of the Lord." The Bible is clear about "what" you should do. But what about "how" you should do it? The way you answer will shape how your children remember your parenting and family. "Heartfelt Discipline" contends there is no divine "how to" formula for childhood discipline. Rather, there is a "way." It's the way of life, the path we walk with God. It's about faith, grace, freedom, and heart, expressed in three principles of discipline as you walk the path with your children: Direction: Guiding and showing them how to walk on the path with God Correction Getting them back on the path when sin leads them off of it Protection: Guarding them from temptations that could draw them away In "Heartfelt Discipline" Clay Clarkson helps you understand what the Bible really says about childhood discipline. Drawing on thirty years of parenting and his personal study of the Bible, Clay fully fleshes out God's way of "path of life parenting." It will change how you think about childhood discipline, and put you on the path of life to your child's heart.

A guide to disciplining children by following biblical examples presents options that resolve conflicts between overly harsh punishments and permissive behaviors, addressing common concerns while offering advice on how to transform family dynamics. Original.

From the family that brought you *The Lifegiving Home* and *The Lifegiving Table*, discover how you can become a parent who gives your child a life worth living for Christ. In today's world, it's easy to become overwhelmed and even paralyzed by the constant flow of parenting advice. We're flooded with so much practical information that we wonder if we're choosing the right way. And we may be missing the one thing God really wants us to give to our children: His life. God doesn't include a divine methodology for parenting in the Bible, but He does provide principles that can enable any faithful parent to bring His life into the life of their home. In *The Lifegiving Parent*, respected authors and parents Clay and Sally Clarkson explore eight key principles—heartbeats of lifegiving parenting—to shed light on what it means to create a home where your children will experience the living God in your family. Now parents of four grown children—each with their own unique personality and gifts—Sally and Clay have learned (sometimes the hard way!) that the key to shaping a heart begins at home as you foster a deep and thoughtful God-infused relationship with each child. Filled with biblical insight and classic Clarkson stories, *The Lifegiving Parent* will equip you with the tools and wisdom you need to give your children much more than just a good Christian life. You'll give them the life of Christ. (Don't miss the companion piece, *The Lifegiving Parent Experience!*)

This tried-and-true method of raising children can be implemented at any age with success. Based on biblical teachings, GBD is a nurturing, God-centered approach to parenting your child from birth to adulthood.
