Read Online Ies Exam Syllabus For Civil Engineering

by the Union Public Service Commission (UPSC). The exam is conducted to recruit candidates for engineering positions for the various departments working under the Government of India. The Engineering Services Examination is conducted for four branches of engineering named as Civil Engineering (CE), Mechanical Engineering (ME), Electrical Engineering (EE), Electronics and Telecommunication Engineering (EC). The IES exam is considered as one of the toughest examinations in the country. Nearly, two lakh candidates appear for the examination every year. Engineering Services Exam or IES exam recruits Group A and Group B officers at the technical positions for the Government of India. The IES exam is a three-stage recruitment process - IES Preliminary, IES Main and Personality Test. On the basis of merit of candidates in the IES exam, they are recommended to the Union Government for the available posts. Nature of work for an engineering officer selected through the IES exam depends on the engineering branch and the cadre s/he is recruited for. UPSC has published the notification for UPSC IES/ESE examination to recruit eligible candidates for the engineering positions for the various departments working under the Government of India.
