Working as a police officer has many advantages, including job security, a good salary, and excellent benefits making for a highly competitive job market. Police Sergeant Exam provides essential test prep, while explaining how to become a police offer, and how the selection process works. It includes six complete Police Officer Exams, with full answer explanations featuring information and practice for all sections of the exam, including Reading Comprehension, Grammar, Vocabulary and Spelling, Math, Judgment, Map Reading, along with Memory and Recall.

In sheer numbers, no form of government control comes close to the police stop. Each year, twelve percent of drivers in the United States are stopped by the police, and the figure is almost double among racial minorities. Police stops are among the most recognizable and frequently criticized incidences of racial profiling, but, while numerous studies have shown that minorities are pulled over at higher rates, none have examined how police stops have come to be both encouraged and institutionalized. Pulled Over deftly traces the strange history of the investigatory police stop, from its discredited beginning as “aggressive patrolling” to its current status as accepted institutional practice. Drawing on the richest study of police stops to date, the authors show that who is stopped and how they are treated convey powerful messages about citizenship and racial disparity in the United States. For African Americans, for instance, the experience of investigatory stops erodes the perceived legitimacy of police stops and of the police generally, leading to decreased trust in the police and less willingness to solicit police assistance or to self-censor in terms of clothing or where they drive. This holds true even when police are courteous and respectful throughout the encounters and follow seemingly colorblind institutional protocols. With a growing push in recent years to use local police in immigration efforts, Hispanics stand poised to share African Americans’ long experience of investigative stops. In a country that celebrates democracy and racial equality, investigatory stops have a profound and deleterious effect on African American and other minority communities that merits serious reconsideration. Pulled Over offers practical recommendations on how reforms can protect the rights of citizens and still effectively combat crime.

Rated "Best of the Best" in Police Exam Prep Books by BestReviews, September 2018 This updated manual presents information, practice tests, and strategies for the different question types used by police departments throughout the country. It includes: Four full-length practice exams with all questions answered and explained Two official exams given by a large metropolitan police department Streamlining of chapters to more closely reflect the latest question types currently in use General strategies for dealing with multiple-choice questions and specific strategies for taking computer-based multiple-choice tests, as well as for taking the traditional paper/pencil multiple-choice exam All important time management strategies New reading comprehension question types, plus strategies for answering these questions An additional diagnostic exam presents questions like those that have appeared on recent entry-level exams used by police departments across the country. Also included are test-taking tips for all question types, suggested rules for effective study, and a detailed description of a police officer's duties. Updated chapters take into account the recent trend by police departments to rely on oral interviews and computerized testing when selecting police officers.

The Law Enforcement Aptitude Battery (LEAB) Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. Annotation Guaranteed methods to score 80% to 100% or your money back.

8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important." —Kirkus (starred review) "Heartbreakingly topical." —Publishers Weekly (starred review) "A marvel of verisimilitude." —Booklist (starred review) "A powerful, in-your-face novel." —Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in Concrete Rose, Angie Thomas's powerful prequel to The Hate U Give.
