How do you develop the craft and skills of stage management for today's theatre industry? And how can these same skills be applied in a variety of entertainment settings to help you develop a rewarding and successful career? Drawing on his diverse experience working with companies from across the performing arts spectrum in venues from the Hollywood Bowl to the Barbican Centre in London, Michael Vitale offers a practical resource on the art of stage management for new and established stage managers. Besides providing detailed coverage of the role within theatre, the book uniquely explores the field of stage

Guidance in numerous branches of the entertainment industry. From theatre, opera, and theme parks, to cruise ships, special events, and dance, stage managers are an integral part of keeping productions running, and this book offers guidance on each distinct area to equip you for a varied and successful career. Written with candour and filled with real-world examples, the book examines the nuts and bolts of the job at each stage of the production process: from preproduction, room rehearsal, technical rehearsal, through to running the show. Vitale considers the skills needed to work with a myriad of different people, explores the traits of a successful stage manager, and
