North America. Responsibility of sales in North America was delegated to General Motors. Thus, the Isuzu was retailed via Chevrolet dealerships as the "Chevrolet LUV". The only engine was a 1.8-liter (1,817 cc) SOHC inline-four which produced 75 hp (56 kW). Sales in the United States began in March 1972 as a response to the Datsun and Toyota pickup trucks, as well as Ford's Mazda-built Courier.

Beginning in 1985, one section is devoted to a special topic

Krause Publications' Standard Catalog series is available by specific marque, in individual volumes or a set. Each book contains in-depth profiles of specific makes by model, factory photos, and up-to-date vehicle pricing. The I-to-conditional pricing system assures readers of accurate values, whether a vehicle is a #1 low-mileage, rust-free beauty or a #6 parts-only heap. "Techs & specs", original factory prices, production and serial numbers, and engine/chassis codes are noted by model, thus helping you determine authenticity accuracy. Historical, technical and pricing information are combined from hundreds of sources. James Flammang values each model according to the popular 1-6 grading system invented by Old Cars magazine.
