by theologian and Catholic Worker James W. Douglass that analyzes the presidency of John F. Kennedy as well as the events surrounding his assassination. The book is drawn from many sources, including the Warren Report. The book's central thesis is that Kennedy was a cold warrior who turned to peace-making, and that as a result he was killed by his own security apparatus. Published by the Maryknoll Fathers and Brothers, it received

JFK and the Unspeakable - Wikipedia

An agency of our own government and their accomplices killed John Fitzgerald Kennedy because he turned to peace and wanted all women, men and children to live their lives without war and its eventual, but, certain annihilation of humanity.

SSuggests that John F. Kennedy was assassinated because military leaders feared his dedication to peace would result in the United States falling to Russia

"In this book James Douglass presents a compelling account of why President John F. Kennedy was assassinated and why the unmasking of this truth remains crucial for the future of our country and the world."

"Drawing on a vast field of investigation, including many sources available only in recent years, Douglass lays out a sequence of steps by JFK that transformed him, over the course of three years, from a traditional Cold Warrior to someone determined to pull the world back from the edge of apocalypse. Beginning with the fiasco of the Bay of Pigs Invasion (which left him wishing to "splinter the CIA in a thousand pieces"), followed by the Cuban Missile Crisis and his secret

back-channel dialogue with Soviet Premier Nikita Khrushchev, JFK pursued a series of actions - right up to the week of his death - that caused members of his own U.S. military-intelligence establishment to regard him as a virtual traitor who had to be eliminated." "Far from being ancient history, the story of Kennedy's turn toward peace, and the price this exacted, bears crucial lessons for today. Those who plotted his death were determined not simply to eliminate one man but to kill a vision. Only by unmasking these forces of the "Unspeakable," Douglass argues, can we free ourselves and our country to pursue that vision of peace."--BOOK JACKET.

In 1948, at the dawn of his country's independence, Mohandas Gandhi, father of the Indian independence movement and a beloved prophet of nonviolence, was assassinated by Hindu nationalists. In

Get Free Jfk And The Unspeakable Why He Died It Matters James W Dougl

riveting detail, author James W. Douglass shows as he previously did with the story of JFK how police and security forces were complicit in the assassination and how in killing one man, they hoped to destroy his vision of peace, nonviolence, and reconciliation. Gandhi had long anticipated and prepared for this fate. In reviewing the little-known story of his early "experiments in truth" in South Africa the laboratory for Gandhi's philosophy of satyagraha, or truth force Douglass shows how early he confronted and overcame the fear of death. And, as with his account of JFK's death, he shows why this story matters: what we can learn from Gandhi's truth in the struggle for peace and reconciliation today.

A Kirkus Best Book of 2013 A revelatory, minute-by-minute account of JFK ' s last hundred days that asks what might have been Fifty years

Get Free Jfk And The Unspeakable Why He Died It Matters James W Dougl

after his death, President John F. Kennedy ' s legend endures. Noted author and historian Thurston Clarke argues that the heart of that legend is what might have been. As we approach the anniversary of Kennedy ' s assassination, JFK ' s Last Hundred Days reexamines the last months of the president ' s life to show a man in the midst of great change, finally on the cusp of making good on his extraordinary promise. Kennedy ' s last hundred days began just after the death of two-day-old Patrick Kennedy, and during this time, the president made strides in the Cold War, civil rights, Vietnam, and his personal life. While Jackie was recuperating, the premature infant and his father were flown to Boston for Patrick ' s treatment. Kennedy was holding his son ' s hand when Patrick died on August 9, 1963. The loss of his son convinced Kennedy to work harder as a husband and father, and there is ample evidence that he suspended his notorious philandering

Get Free Jfk And The Unspeakable Why He Died It Matters James W Dougl

during these last months of his life. Also in these months Kennedy finally came to view civil rights as a moral as well as a political issue, and after the March on Washington, he appreciated the power of Reverend Martin Luther King, Jr., for the first time. Though he is often depicted as a devout cold warrior, Kennedy pushed through his proudest legislative achievement in this period, the Limited Test Ban Treaty. This success, combined with his warming relations with Nikita Khrushchev in the wake of the Cuban missile crisis, led to a d é tente that British foreign secretary Sir Alec Douglas- Home hailed as the “ beginning of the end of the Cold War. ” Throughout his presidency, Kennedy challenged demands from his advisers and the Pentagon to escalate America ’ s involvement in Vietnam. Kennedy began a reappraisal in the last hundred days that would have led to the withdrawal of all sixteen thousand U.S. military advisers by 1965.

JFK ' s Last Hundred Days is a gripping account that weaves together Kennedy ' s public and private lives, explains why the grief following his assassination has endured so long, and solves the most tantalizing Kennedy mystery of all—not who killed him but who he was when he was killed, and where he would have led us.

13 lectures, Dornach and Basel, December 4-31, 1916 (CW 173)
Although these lectures were given in 1916, they have much to teach us about today's political spin, media distortions, propaganda and downright lies--all delivered by the media on a daily basis. Rudolf Steiner's calm, methodological approach penetrates the smokescreen of accusations and counterclaims, illusions and lies, surrounding

Get Free Jfk And The Unspeakable Why He Died It Matters James W Dougl

World War I. From behind this fog and under the guise of outer events, the true spiritual struggle is revealed. Steiner's words give the reader a deeper understanding of the politics and world conflicts that confront us today through the filter of popular media. Amid the turmoil of World War I, Steiner spoke out courageously against the hate, lies, and propaganda of the time. His detailed research into the spiritual impulses of human evolution allowed him to reveal the dominant role that secret brotherhoods played in events that culminated in that cataclysmic war. He warned that the retarding forces of nationalism must be overcome before Europe can find its true destiny. He also emphasized the urgent need for new social structures in order to avoid such future catastrophes. Political and social changes around the world are moving at a breathless pace, hurtling us all toward an uncertain future. These lectures illuminate much of what lies

An inspiring look at the historic foreign policy triumph of John F. Kennedy ' s presidency—the crusade for world peace that consumed his final year in office—by the New York Times bestselling author of *The Price of Civilization*, *Common Wealth*, and *The End of Poverty*. The last great campaign of John F. Kennedy ' s life was not the battle for reelection he did not live to wage, but the struggle for a sustainable peace with the Soviet Union. *To Move the World* recalls the extraordinary days from October 1962 to September 1963, when JFK marshaled the power of oratory and his remarkable political skills to establish more peaceful relations with the Soviet Union and a dramatic slowdown in the proliferation of nuclear arms. Kennedy and his Soviet counterpart, Nikita Khrushchev, led their nations during the Cuban Missile Crisis, when the two superpowers came eyeball to eyeball at the

Get Free Jfk And The Unspeakable Why He Died It Matters James W Dougl

nuclear abyss. This near-death experience shook both leaders deeply. Jeffrey D. Sachs shows how Kennedy emerged from the Missile crisis with the determination and prodigious skills to forge a new and less threatening direction for the world. Together, he and Khrushchev would pull the world away from the nuclear precipice, charting a path for future peacemakers to follow. During his final year in office, Kennedy gave a series of speeches in which he pushed back against the momentum of the Cold War to persuade the world that peace with the Soviets was possible. The oratorical high point came on June 10, 1963, when Kennedy delivered the most important foreign policy speech of the modern presidency. He argued against the prevailing pessimism that viewed humanity as doomed by forces beyond its control. Mankind, argued Kennedy, could bring a new peace into reality through a bold vision combined with concrete and practical measures.

Get Free Jfk And The Unspeakable Why He Died It Matters James W Dougl

Achieving the first of those measures in the summer of 1963, the Partial Nuclear Test Ban Treaty, required more than just speechmaking, however. Kennedy had to use his great gifts of persuasion on multiple fronts—with fractious allies, hawkish Republican congressmen, dubious members of his own administration, and the American and world public—to persuade a skeptical world that cooperation between the superpowers was realistic and necessary. Sachs shows how Kennedy campaigned for his vision and opened the eyes of the American people and the world to the possibilities of peace. Featuring the full text of JFK ’ s speeches from this period, as well as striking photographs, *To Move the World* gives us a startlingly fresh perspective on Kennedy ’ s presidency and a model for strong leadership and problem solving in our time. Praise for *To Move the World* “ Rife with lessons for the current administration . . . We

Get Free Jfk And The Unspeakable Why He Died It Matters James W Dougl

cannot know how many more steps might have been taken under Kennedy ' s leadership, but To Move the World urges us to continue on the journey. ” —Chicago Tribune “ The messages in these four speeches seem all too pertinent today. ” —Publishers Weekly

'It might not be in your lifetime', said the Chief Justice of the United States when asked whether the files on the assassination of President Kennedy would be made public. If the President was killed by a lone gunman, as the first official enquiry claimed, why can we still not see all relevant records? Fifty years on and the murder of the century remains unsolved. Drawing on thirty years of investigation, Anthony Summers examines the case in compelling, forensic detail. He analyses the evidence for Oswald's guilt, the Mafia connection, and the links to Cuba and reveals, for the first time, a plausible admission of

Get Free Jfk And The Unspeakable Why He Died It Matters James W Dougl

involvement. This updated edition of Not in Your Lifetime is the most definitive account of one of the most intractable mystery mysteries of our time.
