"Katana" has perhaps a very familiar premise to many stories centering around a contemporary teen embracing their roots as a pre-destined warrior/fighter. Unfortunately, the familiarity in its troupes are perhaps a bit too much, at least in my overall reaction to Cole Gibsen's work.

~~bookstorrent.my.id~~

Katana is the second book from American author Cole Gibsen. It blends martial arts with the supernatural in a story reminiscent of films such as *The House of Flying Daggers* and *Crouching Tiger, Hidden Dragon*, except without the teary ending.

Cole Gibsen took me on a roller coaster with the first book in this series, Katana, and now she's done it again with Senshi. Magic, lost love, and ninja- lots and lots of ninja. Reincarnation rolls out a few more hiccups and alliances are broken and reformed as our samurai try to make sense of the increased attacks on Rileigh.

Novel) (9780738732619 ...~~

The premise of Katana was unlike anything I have ever read before! It was a real page-turner for me and I instantly fell in love with all of the characters. Gibsen's characters are unique, and their dark pasts define who they are in a way that's so different and refreshing compared to the other cliched novels out there.
