I am not the type of person that cheats on tests or anything but I cheated on a series of test for credit recovery. Here is what happen see they had this smart dude nicholas that was very good in algebra and I suck at math. So I use to sit by him and he ask me if he can do it. At first I told him no but than he said "No i want too" so I just let him do my work and he did like the whole thing.

This text presents an easy-to-understand guide to the development, design and surgical application of the keystone island flap. Extensive use is made of clinical cases accompanied by intraoperative videos and detailed photography showing the operative sequence and post-operative results (with any complications detailed), in order to maximise the reader's understanding. Additional information, such as the history, neurovascular anatomy based on dermatomal delineations, the reconstructive alternatives and technical refinements, is presented in boxed sections. The book discusses in detail the design elements including flap physiology upon which the keystone island flap is based. Following a general discussion of the flap and the basis of how it works, including hypothesis (the subject of separate investigation), the authors examine specific defects in various regions of the body and show how keystone island flaps have been used successfully in a wide range of applications. The use of the keystone island flap for specific surgical specialities, including head and neck , melanoma, trauma (including compound fractures of the lower limb) and even irradiated tissue is also addressed. This surgical method can be a valuable supplement to the reconstructive repertoire in the field of reparative surgery. Case oriented approach DVD containing surgical techniques and additional cases Tips and Pearls

Flightsend is Charlie's new home, whether she likes it or not. Her mother sees it as an end to all that 's gone so tragically wrong. They had been a proper family. Mum; her boyfriend, Sean; and Charlie, with a new baby sister on the way. But the baby died before she was born and everything changed. Gradually, Charlie 's mother pushed Sean away, before resigning from her job and selling the house. Charlie is certain that the move to a ramshackle cottage, miles from anywhere, can only make things worse. She couldn 't be more wrong. For Charlie 's mum there 's a new business and the fresh start that she knew she needed. And for Charlie there 's a new job, new friends, a newly discovered talent for art, and new feelings for two very different men. It 's a summer of beginnings, not ends; a summer that Charlie will never forget.
