The bluebird has long been considered a symbol of happiness and a messenger of joy and contentment. . . . It is my hope that this book, like the bluebird's song of happiness, will bring cheer and joy to your life. --Vicky Howard, introduction * Vicky Howard's collection of antique bird art--nearly all pieces over 100 years old--is used here to adorn her lovely message about what is really important in our pursuit of happiness. Vicky Howard is a successful and recognizable name in the gift market. Using art from her private collection of vintage postcards, Howard presents avian images alongside positive-minded quotes from the early 1900s. While the creative elements of this book recall an early era, the art remains vivid and the words decidedly relevant: * You cannot always have happiness, but you can give happiness. --Proverb * The art of being happy lies in the power of extracting happiness from common things. --Henry Ward Beecher

This is the second voplume of my poetry, the first being a compilation of my love poems. This compilation is of all my general poetry, to be enjoyed by all who read them!

You don't have to be a child to appreciate the magic within The Book of Santa Claus. As author Vicky Howard notes, "We can never outgrow the anticipation of a visit from Santa Claus. He is a magical figure, drawn from the legends, history, and folklore of many countries."The legend of Santa Claus began in America in 1822 with Clement C. Moore's poem "A Visit from St. Nicholas." This enduring poem, which begins with the now-classic line "'Twas the night before Christmas," paints a vivid picture of St. Nick and his miniature sleigh pulled by eight tiny reindeer. Illustrated for the first time by Thomas Nast for Harper's Weekly in 1863, this famous depiction became an inspiration for much of the detailed Victorian art captured in The Book of Santa Claus. The rich compilation celebrates Santa Claus through the beautiful illustrations from century-old postcards from that era's preeminent commercial artists, such as Frances Brundage and Ellen Clapsaddle. Vicky Howard's personal collection of art from the "Golden Age of Postcards" is coupled with poems on the Christmas joy of Kris Kringle. This joyful miniature edition is perfect for a finishing touch to any gift basket, as a hostess gift, or for your own treasured keepsake.
