ETERNAL - Book 1 She will fight for
what is hers. When the king is
murdered, Katerina, his only daughter,
must flee for her life. She finds herself
on a strange and dangerous path.
Alone for the first time, she's forced to

Healthcare providers, consumers, researchers and policy makers are inundated with unmanageable amounts of information, including evidence from healthcare research. It has become impossible for all to have the time and resources to find,

preparing, maintaining and reading
Cochrane reviews. Many of the
principles and methods described here
are appropriate for systematic reviews
applied to other types of research and
to systematic reviews of interventions
undertaken by others. It is hoped
therefore that this book will be
