This weekly planner will help you stay organized. No more missed appointments! See everything you need to do in a clear, orderly fashion. This planner will simplify your life. July 1, 2019 – December 31, 2020; one week per page (days & dates); includes spaces for "priorities" and "to do"; soft cover, glossy finish; measures 6" x 9"

A history of the Dark Ages in Europe challenges popular beliefs while drawing on archaeological findings to profile a robust culture from which strong Christian kingdoms emerged, a civilization that demonstrated significant achievements in technology, commerce, education, and the arts. Reprint.

Presents more than 150 recipes for a range of healthful dishes, in a cookbook that features information on the art of healthy eating.

This clearly written and comprehensive text examines the uprising of politically and economically marginalized groups in Latin American societies. Specialists in a broad range of disciplines present original research from a variety of case studies in a student-friendly format. Part introductions help students contextualize the essays, highlighting social movement origins, strategies, and outcomes. Thematic sections address historical context, political economy, community-building and consciousness, ethnicity and race, gender, movement strategies, and transnational organizing, making this book useful to anyone studying the wide range of social movements in Latin America.

Discover the people, battles, and politics of America's bloodiest conflict. Explore its causes, chapters, characters, and consequences. With a topic on every page, Civil War Visual Encyclopedia tells the story of the war using simple explanations and stunning photographs. Profiles on decisive battles, strategic maps, political leaders, military commanders, naval vessels, uniforms, weapons, and equipment shine a light on the key events and other turning points during the five years of fighting. Find out about the child soldiers who fought valiantly and the healthcare heroes who made groundbreaking differences. Read about the railroads and how the media reported on the war via the telegraph! Discover eyewitness accounts and personal letters. Learn about the reasons behind the war and its lasting impact: the abolition of slavery. More lives were lost in the Civil War than in any other in American history. Filled with vivid insights into this historic conflict – from a day in the life of a plantation worker in the south to a personal diary entry of a Union soldier on the action-included front lines – Civil War Visual Encyclopedia invites young readers to witness the war unfold in a striking new way. This is the ultimate e-guide for children to the war that changed the USA forever.

Making God Laugh follows one typical American family over the course of thirty years' worth of holidays. Starting in 1980, Ruthie and Bill's grown children -- a priest, an aspiring actress, and a former football star -- all return home, where we learn of their plans and dreams as they embark on their adult lives. The empty-nester parents contend with their own changes, too, as old family rituals are trotted out and ancient tensions flare up. As time passes, the family discovers that, despite what we may have in mind, we often arrive at unexpected destinations.

Covers using loops, basic song composition, and mixing in GarageBand.

No Marketing Blurb

Murder. Not intricately plotted "whodunit." Not fiery passionate fury. But dirty, sad, disturbing actions from real people. That's what Truman Capote decided to use for In Cold Blood-his bold experiment in the realm of the non-fiction "novel." Following in that legacy is CAPOTE IN KANSAS, a fictionalized tale of Capote's time in Middle America researching his classic book. Capote's struggles with the town, the betrayal, and his own troubled past make this book a compelling portrait of one of the greatest literary talents of the 20th century. A new edition of the critically acclaimed graphic novel by Ande Parks (LONE RANGER) and Chris Samnee (DAREDEVIL).
