"The tools and capabilities available to today's HR professionals provide a unique position that, when used correctly, can lead to that all-important - and highly coveted - role at the leadership table. But how to get there? In this updated second edition, Trehan has distilled all her experience as a global leader into a series of easily digestible chapters designed to help today's HR professional attain and keep a seat at the corporate decision-making table. Trehan offers specific strategies and frameworks for reframing the HR professional's understanding of their role within the company, including viewing the corporation not from the HR fishbowl, but rather from the vantage point of the CEO's office."--Provided by publisher.

Some love affairs refuse to be confined... To time. To place. To this mortal coil. This novel is based on a true story. The macabre events, such as they were, took place during the height of the Great Depression in Key West, Florida. Carl Tanzler von Cosel, an eccentric German scientist, and Elena Hoyos, a beautiful young girl, fell in love. But this is not your ordinary love affair. Some bonds endure the ravages of disease and the threat of prison, family disownment, and the devils and angels themselves. Some love affairs are stronger than death.
