16) Composites 16.1

Introduction The idea is that by combining two or more distinct materials one can engineer a new material with the desired combination of properties (e.g., light, strong, corrosion resistant). The idea that a better combination of properties can be achieved is called the principle of combined action.

Exam AMIE is a B.Tech level examination in engineering, recognized by all State Governments, Central Govt., AICTE, UPSC etc.

Amie Material Science And Engineering Syllabus

Studies reveal that why many students fail in AMIE examination is due to that lack of right guidance and coaching materials. Compared to regular engineering students in professional colleges, AMIE students do not get access to good professors, laboratory facilities, regular attendances etc. All these factors may affect AMIE result.
