Our revision resources are the smart choice for those revising for Edexcel GCSE (9-1) Mathematics.

This book supports students preparing for the Edexcel GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.

Exam Board: Edexcel Level: GCSE Subject: Maths First teaching: September 2015 First exams: June 2017 Our revision resources are the smart choice for those revising for Pearson Edexcel GCSE (9-1) Mathematics. This book contains real exam papers taken by students with plenty of additional content to guide students through completing them. This book will help them to: Prepare for your exam by familiarising yourself with the approach of the papers and the exam-style questions Practise answering questions by writing straight into the book just as you would in an exam Perfect your responses with targeted hints, guidance and support for every question, including fully worked solutions Not sure where to start with a question, or keen to avoid those common pitfalls? Check out the support in the margin of every question for hints, tips and insights from experienced teachers, along with links to further topic coverage in the Revision Guide.

Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.

Test questions are provided for each chapter of this textbook, together with detailed mark schemes to make assessment easy. Two versions of each question are provided. One allows pupils to write their answers in the spaces provided and the other requires pupils to have separate writing paper. Questions can be grouped according to needs. Master grids are provided to cut and paste tests together in a consistent format to use the resource in any order. Chapter tests can be grouped to form a module test after chapters. End-of-chapter examinations can also be produced in this way. A free non-calculator supplement organized by unit/chapter is also included in this resource.
