If a diplomat says "yes," he means "maybe"; if he says "maybe," he means "no"; and if he says "no," he's no diplomat. I don't know where I heard that, but it's probably true. We were big fans of The Firesign Theater when I was in high school. Our favorite skit was "Nick Danger, Third Eye". At one point, the villain (a guy named Rocky Rococo) says "Maybe yes, maybe no," growled out in this sinister nasal voice.

Fable: Maybe Yes, Maybe No [1] There once was a farmer who had a wife and a son. The one son helped the farmer with the chores. On the farm they had one horse, which helped the farmer plow his fields and travel to town. One evening, after feeding the horse, the son left the farm gate unlocked and wide open overnight. The horse ran away.

Maybe Yes, Maybe No (Homily for Fourth Ordinary Sunday, Year A: Beatitudes) Bottom line: Jesus does not say we should passively accept misfortunes, but he does tell us that we will never be happy unless we can find peace in the face of such trials. A college professor once bared his heart to his students.

Friends shouted, "Your boy is spared, what tremendous luck!" To which the farmer replied, "Maybe so, maybe not. We'll see." The moral of this story, is, of course, that no event, in and of itself, can truly be judged as good or bad, lucky or unlucky, fortunate or unfortunate, but that only time will tell the whole story.

In today's media-flooded world, there is no way to control all of the information, claims, and enticements that reach young people. The best thing to do is arm them with the sword of critical thinking. Maybe Yes, Maybe No is a charming introduction to self-confidence and self-reliance. The book's ten-year-old heroine, Andrea, is always asking questions because she knows "you should prove the truth of a strange story before you believe it." "Check it out. Repeat the experiment. Try to prove it wrong. It has to make sense." writes Barker, as he assures young readers that they are fully capable of figuring out what to believe, and of knowing when there just isn't enough information to decide. "You can do it your own way. If you are a good skeptic you will know how to think for yourself."

the jam in the sandwich Sometimes that's how PK feels, squeezed in between her supersmart older sister, Megan, and her superadorable younger sister, Rabbit -- especially now, with Megan almost a teenager and becoming impossible, and Rabbit worrying about going to kindergarten. Why can't people stay the same? But there's an even bigger change afoot: Mama has decided they should move to a larger apartment. How can they leave behind the big blue chair that's almost like a member of the family? But maybe, just maybe, in a new home PK can find out what makes her as special as her sisters.

A book about the power of love and resistance from New York Times bestselling authors Becky Albertalli and Aisha Saeed. YES Jamie Goldberg is cool with volunteering for his local state senate candidate—as long as he's behind the scenes. When it comes to speaking to strangers (or, let's face it, speaking at all to almost anyone) Jamie's a choke artist. There's no way he'd ever knock on doors to ask people for their votes...until he meets Maya. NO Maya Rehman's having the worst Ramadan ever. Her best friend is too busy to hang out, her summer trip is canceled, and now her parents are separating. Why her mother thinks the solution to her problems is political canvassing—with some awkward dude she hardly knows—is beyond her. MAYBE SO Going door to door isn't exactly glamorous, but maybe it's not the worst thing in the world. After all, the polls are getting closer—and so are Maya and Jamie. Mastering local activism is one thing. Navigating the cross-cultural crush of the century is another

thing entirely.

“Will you ever stop loving her?” Shweta was yelling as Ayaan was walking away. He turned back and looked at Rhea for the last time. “Maybe Yes,” Ayaan murmured to himself and continued walking amidst the heavy snowfall. Ayaan struggles to answer the question. He is bewildered, as he still does not have the answer after fifteen years. He is a simple guy with simple tastes, sitting in the corner, watching it all happen around him in which he cannot participate. Nevertheless, he decides to leave no stone unturned when it comes to grabbing an opportunity to overturn the old sissy life. However, all his planning and plotting for turning his life around is flushed down the gutter when Rhea enters his life. It pushes him off the ledge and throws him into the pit of ambiguity. His past haunts him, because of which he is not able to confess his feelings to the girl he loves. He keeps on encountering her in different phases of his life in the span of fifteen years. Maybe Yes is a saga about love, friendship, and finding oneself.

Her future is already set, all she has to do is marry a complete stranger. Kinsley Felton has everything. Money, a loving family, and a modeling career. She graduates from Yale in just days, but unlike a typical college student she doesn't have to spend hours looking for a job when she graduates. Kinsley will inherit the multi-billion dollar gaming and hospitality company her great-grandfather started. The only problem is she has to do everything her family asks for in order to get that money. That includes marrying a man of her family's choosing. That's not a problem since Kinsley has been following her family's orders all her life. Until a phone call from her grandfather changes everything. Will she marry the man her family chooses or will she decide her own future?

Whose life are you living? It's hard to live authentically when you're trying to meet the expectations of everyone around you and denying the inner voices that know your truth. Grace Anne Stevens spent over sixty years hiding and denying her inner truth. In No! Maybe? Yes! Living My Truth, she shares not only her voice but many of her internal voices, as she journeyed from denying, to questioning, and finally accepting her truth, which led to transitioning her gender at the age of sixty-four. More than just a transgender memoir, this book is about relationships, both internal and external, about change and authenticity, and is uniquely informational, inspirational, and transformational to all who may question their own journey.

Tom's mum is madly gathering stuff from around the house to sell off at a boot sale. Tom's worried she might get rid of some of his prized things, but then again he might make a little money selling his stuff to buy a scooter! Meanwhile, Business Day is coming up at school. Tom comes up with a brilliant idea for an item his team can sell for Business Day. But because he was busy doodling, Tom accidentally gets himself switched to another group. And Tom's sister Delia continues to be grumpy, but now she has a key to her bedroom. What is she keeping locked behind that door?

Covering fifty years of British dance, from Margot Fonteyn to innovative contemporary practitioners such as Wendy Houstoun and Nigel Charnock, Yes? No! Maybe is an innovative approach to performing and watching dance. Emilyn Claid brings her life experience and interweaves it with academic theory and historical narrative to create a dynamic approach to dance writing. Using the 1970s revolution of new dance as a hinge, Claid looks back to ballet and forward to British independent dance which is new dance's legacy. She explores the shifts in performer-spectator relationships, and investigates questions of subjectivity, absence and presence, identity, gender, race and desire using psychoanalytical, feminist, postmodern, post-structuralist and queer theoretical perspectives. Artists and practitioners, professional performers, teachers, choreographers and theatre-goers will all find this book an informative and insightful read.

Kunieda Kei is the up-and-coming Prince Charming of the evening news. Inside, he's the opposite: brash, hot-tempered, and prickly as can be. For years, Kei has successfully juggled his private and professional personas--until a chance meeting with a stop motion animator threatens to bring it all crashing down. But is that really as frightening as the possibility that someone might love and accept both sides of who he is?

There are many ways this story can go. YOU decide what happens next. And if you don't like how it ends? Just start again! The Yes No Maybe So series is an interactive reading experience about friendships, family, and all the feelings. Yael Lewis is dreading her bat mitzvah. Her loving but clueless mother insists on throwing an epic birthday extravaganza, even though Yael hates the spotlight. Despite herself, Yael is excited when her crush Cam accepts the invitation. But then she meets Gabriel, the emcee's son, whose chill attitude makes her rethink the party plans. Thank goodness her old friend Eli will be there to keep her steady, even though he's returned from camping a little bit different. Will Yael's party be the best...or a bust? You have the power to choose what happens...and the chance to choose differently next time!
