Metro 2033 1 Dmitry Glukhovsky

Metro 2033 was initially available for the Xbox ... mostly because the book's author, Dmitry Glukhovsky, worked closely with the game's developers the entire way through. In an interview with ...

This translation originally copyrighted in 2009.

The basis of two bestselling computer games Metro 2033 and Metro Last Light, the Metro books have put Dmitry Glukhovsky in the vanguard of Russian speculative fiction alongside the creator of Night Watch, Sergei Lukyanenko. A year after the events of METRO 2033 the last few survivors of the apocalypse, surrounded by mutants and monsters, face a terrifying new danger as they hang on for survival in the tunnels of the Moscow Metro. Featuring blistering action, vivid and tough characters, claustrophobic tension and dark satire the Metro books have become bestsellers across Europe.

First English U.S. PREMIUM HARDCOVER Edition of the cult

dystopia "METRO 2033". * * * Metro 2033 tells the story of a young man named Artyom who goes a long way to save his world from mortal danger. The book describes the consequences of an atomic war. Its only survivors strive for existence in the mazes of the Moscow subway (Metro) some two decades after the nuclear Holocaust. Formally a sci-fi novel, Metro 2033 describes a dystopia, in which Russia's present-day society is superficially analyzed and described. It also critically examines communism in the former Soviet Union and the rise of fascism in modern Russia. Over 2,000,000 copies of Metro 2033 have been sold worldwide. Foreign book rights have been sold to more than 37 countries. The franchise gave birth to two cult video games, Metro 2033 and Metro Last Light. Film rights were optioned by MGM Studios in Hollywood.

World War Three wiped out the humankind. The planet is empty now. Huge cities became dust and ashes. Railroads are being eaten by rust. Abandoned satellites hang lonely on the orbit. Radio is mute on all the frequencies. The only survivors of the last war were those who made it into the gates of the Metro, the subway system of Moscow city. It's there, hundreds of feet below the ground, in the vaults of what was constructed as the world's largest air-raids shelter that people try to outlive the end of the days. It's there that they created a new world for themselves. The stations of Metro became city-states, and its citizens, torn apart by religions and ideologies are fighting for the now scarce commodities: air, water, and space. This tiny underground world can only remind humans of an immense world they once were the masters of. It's been twenty years past Doomsday, and yet the survivors refuse to give up. The most stubborn of them keep cherishing a dream: when the radiation level from nuclear bombings subsides, they will be

able to return to the surface and have the life their parents once had. But the most stubborn of the stubborn continues to search for other survivors in this huge emptiness that once was called Earth. His name is Artyom. He would give anything to lead his own people from the underground onto the surface. And he will. * * * METRO 2035 continues and terminates the story of Artyom, the hero of the original Metro 2033 book and the Metro video games. Millions of readers across the world have been waiting for this novel for the long ten years. For those who have been following Artyom's adventures from the very beginning, Metro 2035 will deliver the concluding powerful part of the saga, with the ultimate part of the puzzle that can't be found anywhere else. For the new readers, Metro 2035 will become an excellent introduction into this unique fiction universe that has millions of fans across the world. * * * Dmitry Glukhovsky's METRO novels have already sold millions of copies in 37 languages. They have also become a basis of cult video games 'Metro 2033' and 'Metro Last Light', and the film rights were optioned by a Hollywood studio. * * * Behind the tense plot and the dark ambience of Metro 2035, there's yet another level: that of social dystopia and political satire. Metro metaphorically paints a pitiless picture of today's Russia, that is being overcast again by the dark shadows of its gruesome past. Do Russians need freedom? Do they want a war? Can they survive without an enemy? Who's to blame and can anything be done about it? Eternal questions. Fresh answers.

'A worthy successor to '1984' and 'Brave New World' -
PLAYBOY
What would I do for eternal life?
Discoveries made within our lifetime will allow people to remain young forever. There is no more death. Our children will never die. Welcome to a world inhabited by people who are perfectly healthy, beautiful and eternally young. Every utopia has its shadowy

backstreets. Someone has to make sure that overpopulation doesn't bring the wonderful world of the future crashing down. Someone has to make people forget their animal instincts and live in a fitting way for immortals. Maybe that someone is me? The utopia "FUTURE" is the first novel after five years' silence from Dmitry Glukhovskiy, author of the cult novel "METRO 2033". The author's books have been translated into dozens of foreign languages, selling in millions of copies, and have been adapted for the big screen in Hollywood - but none of them will grip you like "FUTURE".

The superb and long-awaited sequel to the cult bestseller Metro 2033, the second volume in the Metro trilogy, Metro 2034 continues the story of survival and struggle that unfolds in the mazes of the Moscow subway after the World War Three. As the entire civilization was wiped out by atomic bombs and the surface of the planet is polluted with nuclear fallout, the only place suitable for man to live are shelters and bunkers, of which the largest is the subway system of Moscow, aka the Metro. The year is 2034. There's no hope for humans to once return to the surface of Earth, to repopulate the forsaken cities, and to become once again the masters of the world they used to be. So they rebuild a strange and grotesque civilization in the tunnels and at the stations of the subway. Stations become city-states that wage trade and war on each other. A fragile equilibrium is established. And then all can be ruined in matter of days. A new horrible threat looms that can eradicate the remains of humanity and end our era. It would take three unlikely heroes to face this menace... This is the first US edition of Metro 2034, containing black and white hip illustrations by Anton Grechko for each chapter. Translated from Russian by Andrew J. Bromfield, one of the top 5 world specialists.

The basis of three bestselling computer games Metro 2033 and Metro Last Light, and Metro: Exodus. The Metro books have put Dmitry Glukhovsky in the vanguard of Russian speculative fiction alongside the creator of Night Watch, Sergei Lukyanenko. A year after the events of METRO 2033 the last few survivors of the apocalypse, surrounded by mutants and monsters, face a terrifying new danger as they hang on for survival in the tunnels of the Moscow Metro. Featuring blistering action, vivid and tough characters, claustrophobic tension and dark satire the Metro books have become bestsellers across Europe.

The New York Times and USA Today bestselling series They dive so humanity survives ... More than two centuries after World War III poisoned the planet, the final bastion of humanity lives on massive airships circling the globe in search of a habitable area to call home. Aging and outdated, most of the ships plummeted back to earth long ago. The only thing keeping the two surviving lifeboats in the sky are Hell Divers—men and women who risk their lives by skydiving to the surface to scavenge for parts the ships desperately need. When one of the remaining airships is damaged in an electrical storm, a Hell Diver team is deployed to a hostile zone called Hades. But there's something down there far worse than the mutated creatures discovered on dives in the past—something that threatens the fragile future of humanity.

A prequel to the best-selling video-game franchise explains how the technologically advanced undersea city called Rapture came to be and how it eventually devolved into a chaotic dystopia.

Two couples cut to bits near a canyon close to the Nevada border. The police pull over blood-soaked Arlo Ward not far
