Modern Drummer Presents Stick Technique - The Essential ...  
Many drum instructors say, "Play naturally." The problem with that statement is that we naturally hold on to things tightly. Have you ever seen someone pick up a drumstick for the first time and play smooth rebounding strokes? Great technique is rarely natural, but once it's achieved, this newfound finesse looks very natural, since we're using our body in the most efficient way possible.

Stick Technique Revisited - Modern Drummer Magazine  
Stick Technique Revisited Part 4: Alley-Oop The alley-oop technique is what I call a wrist/finger combination used for playing double strokes (diddles) and triple strokes. While it can be likened to the push/pull technique, which is a wrist stroke followed by a finger stroke, the alley-oop isn't purely one motion followed by the other, and it ...
