This is a pretty good book from Mr. Nastase. The most fascinating aspect of the book concerns his freewheeling life as a traveling tennis pro, while still being a citizen of communist Romania. He spends a lot of time on his love life, his biggest matches, Davis Cup.

The amazing life story of the enfant terrible of tennis in the 1970s and 80s - winner of two Grand Slam titles, three Grand Slam doubles titles and twice a Wimbledon finalist.

It would not be an overstatement to say that Ilie Nastase was at least partly responsible for the explosion of interest in tennis in the 1970s. Thanks to his prowess on the court, his flamboyant lifestyle, his sex appeal, and the controversy that continually surrounded him, Nastase's name was well known far beyond the confines of tennis. In this candid autobiography, he recalls his days as a young troublemaker in Bucharest, his rise in the world of tennis, his incident-packed glory years in the game, and his high-profile life as a playboy. A sparkling memoir, recounted with all the swagger and bravado of the original bad boy of tennis.

'Before Cliff Richard and the Shadows, there was nothing worth listening to in British music.' - John Lennon. Cliff Richard tells his story, in his own words, in his highly anticipated new autobiography. Achieving a hit in every decade since the 1950s, Cliff Richard stands alone in pop history. Coming of age in 1950s London, he began his music career at Soho's legendary 2i's Cafe, and now he's approaching his 80th birthday with record sales of over 250m and counting. Cliff Richard was a pioneer, forging the way for British rock 'n' roll with his unique sound. The original British teen idol, his incredible story takes us into the studio of TV's first pop show Oh Boy!, through 40 years of Top of the Pops, and playing live up and down the country and across the world, with a constant backdrop of screaming fans. Cliff looks back on his humble upbringing, and how he went on to fulfil his wildest dreams by becoming a pop star and even a film star. He talks about finding Christianity, reflects on the ups and downs of life in the public eye, and reveals how the false allegations against him changed his life forever. He's

Access Free Mr Nastase The Autobiography

seen era-defining pop stars come and go, and he's still making new music, with a new project to be released this year. As a teenage Elvis-fan in Cheshunt, this may have seem a distant dream. Here's his story of how he made it all happen.

The Outsider is a no-holds-barred memoir by the original bad boy of tennis, Jimmy Connors. Connors ignited the tennis boom in the 1970s with his aggressive style of play, turning his matches with John McEnroe, Bjorn Borg, and Ivan Lendl into prizefights. But it was his prolonged dedication to his craft that won him the public's adoration. He capped off one of the most remarkable runs in tennis history at the age of 39 when he reached the semifinals of the 1991 U.S. Open, competing against players half his age. More than just the story of a tennis champion, The Outsider is the uncensored account of Connors' life, from his complicated relationship with his formidable mother and his storybook romance with tennis legend Chris Evert, to his battles with gambling and fidelity that threatened to derail his career and his long-lasting marriage to Playboy playmate Patti McGuire. When he retired from tennis twenty years ago, Connors all but disappeared from public view. In The Outsider, he is back at the top of his game, and as feisty, outspoken, and defiant as ever. This autobiography includes original color photographs from the author.

Bahrami also talks about his friendships with some of the great tennis players - Bjorn Borg, John McEnroe, Jimmy Connors, Ilie Nastase, Henri Leconte - and many others. Inspirational, funny and truly original, this is much more than a sports autobiography. It is the story of one man's success against all the odds, set against the backdrop of a country in the midst of revolution and war. But, above all, it is Mansour Bahrami's undiminished passion for tennis and his amazing adventures on and off the court which make this book an exceptional read.

This book is a unique, abstract portrait of former ATP #1 ranked tennis player Marcelo Rios of Chile from various sources and perspectives, including opponents, friends, media, fans, photographers, his coaches, industry people, tournament officials, etc. Rios possessed the wondrous talent which could have won ten Grand Slams - according to Marat Safin, and a maverick personality which fascinated, bewildered and awed the tennis world from 1994 to 2003. In this book you will learn many insights and anecdotes about Rios and his unparalleled experience on the professional tennis circuit, such as the time he punched out a fan at a Miami restaurant, the time a woman left his hotel room screaming, how his spectacular skills could make even a top ten player feel like a novice on the court. All hardcore tennis fans will greatly enjoy this book.

Access Free Mr Nastase The Autobiography

Rod Laver's memoir is the inspiring story of how a diminutive, left-handed, red-headed country boy from Rockhampton, Australia became one of sports' greatest champions. Rod was a dominant force in world tennis for almost two decades, playing and defeating some of the greatest players of the twentieth century. In 1962, Rod became the second man to win the Grand Slam - that is, winning the Australian, French, Wimbledon and US titles in a single calendar year. In 1969, he won it again, becoming the only player ever to win the Grand Slam twice. Laver's book is a wonderfully nostalgic journey into Laver's path to stardom, from the early days of growing up in a Queensland country town in the 1950s, to breaking into the amateur circuit, to the extraordinary highs of Grand Slam victories. Away from on-court triumphs, Rod also movingly writes about the life-changing stroke he suffered in 1998, and of his beloved wife of more than 40 years, Mary, who died in 2012 after a long illness. Filled with anecdotes about the great players and great matches, set against the backdrop of a tennis world changing from rigid amateurism to the professional game we recognize today, Rod's book is a warm, insightful and fascinating account of one of tennis's all-time greats.

Timed to coincide with the US Open's 50th anniversary, this exquisitely produced book celebrates the most electrifying event in tennis. All of the key moments and unforgettable personalities from the competition's 50-year history are brought to life by vibrant, exclusive photography. This book provides a comprehensive look at the tournament, from the early years of tennis legends such as Billie Jean King and Arthur Ashe to iconic players such as Roger Federer and Serena Williams. Original contributions from journalists, players, coaches, and notable fans stand alongside gorgeous photography of the many household names who have made their mark competing on the game's biggest stage. A perfect gift for any tennis fan, this book is a richly visual tribute to the sport, its fans, and its champions.

Regarded by many as the greatest tennis player in the history of the sport, this authoritative biography is based on many exclusive interviews with Federer and his family as well as the author's experience covering the international tennis circuit for many years. Completely comprehensive, it provides an informed account of the Swiss tennis star from his early days as a temperamental player on the junior circuit, through his early professional career, to his winning major tennis tournaments, including the U.S. Open and Wimbledon. Readers will appreciate the anecdotes about his early years, revel in the insider's view of the professional tennis circuit, and be inspired by this champion's rise to the top of his game.

One of the greatest cities of the Himalaya, Kathmandu, Nepal, is a unique blend of thousand-year-old cultural practices and accelerated urban development. In this book, Thomas Bell recounts his experiences

Access Free Mr Nastase The Autobiography

from his many years in the city—exploring in the process the rich history of Kathmandu and its many instances of self-reinvention. Closed to the outside world until 1951 and trapped in a medieval time warp, Kathmandu is, as Bell argues, a jewel of the art world, a carnival of sexual license, a hotbed of communist revolution, a paradigm of failed democracy, a case study in bungled western intervention, and an environmental catastrophe. In important ways, Kathmandu's rapid modernization can be seen as an extreme version of what is happening in other traditional societies. Bell also discusses the ramifications of the recent Nepal earthquake. A comprehensive look at a top global destination, Kathmandu is an entertaining and accessible chronicle for anyone eager to learn more about this fascinating city.
