Elaine Halligan's My Child's Different: The lessons learned from one family's struggle to unlock their son's potential explores the enabling role that parents can play in getting the best out of children who are seen as 'different' or 'difficult'. Foreword by Dr Laura Markham. Society favours children, and adults, who conform. The notion that our children may be shunned for being 'different' breaks our hearts, but there is plenty we can do to help such children develop into thriving, resilient adults. In My Child's Different Elaine shares the true story of her son Sam, who by the age of seven had been excluded from three schools and was later labelled with a whole host of conditions ranging from autistic spectrum disorder (ASD) to pathological demand avoidance (PDA), before finally being diagnosed with dyslexia. He had become 'the Alphabet Kid'. His family never gave up on him, however Drawing lessons from Sam's transformational journey from difficult child to budding entrepreneur. My Child's Different offers encouragement to parents who may be concerned about what the future might hold, and demonstrates how with the right support and positive parenting skills their children can grow up to surprise and delight them. The book chronicles Sam's journey from birth to adulthood, allowing readers to spot past and present patterns that may be comparable with their own children's experiences, and provides pragmatic parenting advice that will be of benefit to any parent whose children who may or may not have a diagnosed learning difficulty struggle with life educationally or socially. Elaine writes with warmth and compassion as she revisits the challenges faced, the obstacles overcome and the key interventions that helped instil in Sam a sense of self-belief, a drive to succeed and an emotional intelligence beyond his years. Interspersed throughout the narrative are the reflections and insights of parenting expert Melissa Hood, who illustrates the key concepts from Sam's story and shares practical positive parenting techniques to help parents better connect with their children. Also included are contributions from Sam himself providing an additional, uniquely rich perspective that will help deepen parents' understanding of their children's feelings and emotions. Suitable for parents, educators and anyone who works with children, My Child's Different is a celebration of all the unique qualities that those who are different bring to society.

A #1 bestseller on Amazon for early childhood education with more than half a million copies in print, Teach Your Child to Read in 100 Easy Lessons will give your child the reading skills needed now for a better chance at tomorrow, while bringing you and your child closer together. Richard Branson is a well-known international entrepreneur, and his lessons in life and in business, have served as an inspiration for everyone who dreams of pursuing a career in business, and seeks to make a name for themselves in the competitive world around them. In this book, you will learn about Branson, his different businesses as well as lessons he learned along the way that you can integrate in your daily life. This isn't a biography, it is more about how Branson got started in business, how he managed them, and how he handled failures and criticisms. This book also offers tips, advice, and secrets of how Branson achieved success in business, in spite of his many failures and the obstacles he faced along the way. If you want to achieve success like Richard Branson as an entrepreneur, planning to establish your own business, this book will prove to be a useful source of inspiration to help you along the way.

Have you lost a child to death? What becomes of your life? Well-meaning friends or church leaders sharing trite phrases or even Bible verses by rote rarely help. Keeping your grief to yourself and telling everyone you're fine won't cut it either. Is there any chance for a life of victory and hope after this devastation? Merrit Hearing brings you into his journey after his 16-year-old son drowned in the Pacific Ocean. Come find out that joy and sorrow can indeed walk hand-in-hand and discover a fresh intimacy with our Savior.

Preschoolers will have hours of fun with this activity-packed book. There are puzzles to complete, simple mathematics, find objects, alphabets and more . A great way for kids to learn while having fun.

This is a story of Robert Bagley's biography - his: family, faith, entrepreneurship, corporate sales experience, and then diving into being a full time reseller on Amazon and back to corporate America (due to 'Lessons Learned') - putting his Amazon business back to part time. This is not a "how-to" book for how to sell on Amazon and Ebay, just sharing my story and a few best practices I learned along the way. Please don't purchase this book if you want a step-by-step tutorial on how to be a re-seller on Amazon and Ebay. As a young professional, Robert Bagley climbed and overcame many corporate mountains eventually earning a high six-figure income with several Fortune 500 companies. Still, something was missing from his vocational career and he knew that he needed to add a small business to his lifestyle. This would bring a change that not only involved a lot of personal risks, but a good amount of faith as well. And, not just faith in himself. And so he embarked on what would prove to be the most incredible game-changing season of his life. You'll be inspired, motivated, challenged, and moved-to-action by Robert's life-story and how selling on Amazon and ebay pulled his career toward a whole new path of becoming an eCommerce entrepreneur.

Written for teachers or parents of young children, Singing Lessons for Little Singers offers exciting songs and exercises based on proven pedagogical principles and healthy vocal technique for use in solo or group voice lessons. This revolutionary method was created to fill the great void of private singing lesson materials for children: it combines a system of voice-developing exercises with an ear-training and sight-singing course and a collection of enjoyable songs with entertaining lyrics and delightful illustrations. This powerful, comprehensive method has had great success in developing advanced singing skills, as well as creating many satisfying experiences for students.

When told "Luca, you're growing like a weed!", 2 year old Luca responds "I'm not a weed, I'm Luca". Journey with Luca as she discovers herself among all of her silly family's comparisons.
