30+ Never Surrender A Soldiers Journey To The Crossroads ...

"Never Surrender," Jerry Boykin's recounting of an action-packed career as an army officer in the special warfare community is both an insightful history into the development of American capabilities--ala Delta Force--and an encouraging dose of faith and patriotism.

In 1978, Jerry Boykin joined what would become the world's premier Special Operations unit, Delta Force. The only promise: "A medal and a body bag." What followed was a .50 caliber round in the chest and a life spent with America's elite forces bringing down warlords and war criminals, despots, and dictators. In Colombia, his task force hunted the notorious drug lord Pablo Escobar. In Panama, he helped capture the brutal dictator Manuel Noriega, liberating a nation. From Vietnam to Iran to Mogadishu, Lt. General Jerry Boykin's life reads like an action-adventure novel. Boykin's powerful story will keep you riveted as he reveals how his military duty worked in tandem with his faith to bring him through the bloody storms of foreign battle-and through the political firestorm that ambushed him in his own country.

Barely into his twenties and already a highly decorated military hero, Army Special Forces veteran Blake Kershaw is now going to college, studying while recuperating from wounds received in Afghanistan, and planning to re-enter the Army as an officer after graduation. But life tosses Blake a curve when his country approaches him about using his special skills to avert a terrorist plot to detonate a nuclear device in a major eastern U.S. city. To do that, he would need to become an operative deep within Al-Qaeda's innermost circles--changing his entire identity, even his face. A true patriot, Blake makes the journey into a shadow world that leaves friends, family and, seemingly, even God far behind. But when things go terribly wrong, and his country looks set to destroy him, it is God and God's people who intervene.

Growing up on Guam in 1972, fifteen-year-old Kiko is beset by worries: He's never kissed a girl, the popular guys get all the attention at school--but the worst part is the serious problems at home. His older brother is missing in Vietnam, his grandfather is losing it to dementia, and he just learned that his mother was raped by a Japanese soldier during World War II. It all comes together when he discovers an old man, a Japanese soldier, hiding in the jungle behind his house. It's not the same man who raped his mother, but, in his rage, Kiko cares only about protecting his family and avenging his mom--no matter what it takes. And so, a shy, peaceable boy begins to plan a murder. But how far will Kiko go to prove to himself that he's a man? Based on a true incident in history, No Surrender Soldier is the story of a boy grappling with ancient questions of courage and manhood before he can move on.

From the New York Times bestselling author of Heroes Proved, a moving collection of "straightforward, honest testimonials to the courage American troops display on and off the battlefield" (Kirkus Reviews). For more than a dozen years, combat-decorated Marine Oliver North and his award-winning documentary team from FOX News Channel's War Stories traveled to the frontlines of the War on Terror to profile the dedicated men and women who serve our nation. This time, he follows them from the battlefield to the homefront and finds extraordinary inspiration in their triumph over life-altering adversity. In this new volume of his New York Times bestselling American Heroes series, North describes the courage, commitment, and strength of those who serve--and those who love them. The term "selfless devotion" may be a cliché to many--but not to the men and women on the pages of this book. Their stories resound with bravery, a warrior ethos, and spiritual strength that will encourage us all. Heroes are people who knowingly place themselves at risk for the benefit of others. Since the terror attack of 9-11-01, more than 2 million young Americans have volunteered to serve in difficult and dangerous places. No military force in history has been asked to do more than those who have served and sacrificed in this long fight. They are American heroes. So too are their loved ones here at home. These are their stories.

Masculinity in America has never been under attack the way it is today. We have reached the point where the term itself is considered toxic or offensive to many. American men are conflicted as to what their role is in society. The consistent message that has proliferated in our nation is that masculinity, by nature, is bad and is the root cause of many of the problems plaguing our society. Everything from racism to pedophilia has been blamed on "toxic masculinity." Some colleges and universities are now offering classes on how to overcome or be delivered from this very "threatening" phenomenon called "masculinity." If men take up biblical mandates ordained by their Creator--no matter their color, nationality, station, upbringing, or education--a new vision can be cast and executed that will restore a civil and prosperous America for all.

Taken from what could be tomorrow's headlines, Kiloton Threat is a novel that explores the frightening potential of nuclear weapons in the Middle East today. Out of the house churches of rural Iran, a Christian masquerading as a Muslim gains the confidence of a high-ranking leader in the Iranian nuclear program and opens his eyes to Christianity. The man's newfound faith stirs his desire to flee to the West, taking with him intelligence that would allow Coalition forces to neutralize his nation's devastating capabilities. But no one in such a position could ever escape unnoticed. Enter Blake Kershaw, a highly trained U.S. Special Forces officer who has already made extraordinary sacrifices for his country that include faking death and losing his true identity. His mission to infiltrate Iran and extract the high-value defector strains the relationship with the woman he loves--one of the few people on earth who knows his real story. With even more intensity, it shows the price that must sometimes be paid when political correctness fails and a man has to stand up for what is right. Praise for Kiloton Threat: "This fast-paced, ripped-from-the-headlines sequel by a founding member of the elite special operations unit Delta Force is packed with danger at every turn. It is sure to appeal to fans of Don Brown, Joel C. Rosenberg, and other authors of faith-based thrillers." Library Journal "LTG(R) Boykin has extracted his story straight from future headlines as he highlights the very serious threats posed by the Iranian nuclear rogram. This book is more reality than fiction as Blake Kershaw, a courageous young Special Forces officer, enters the dark world of espionage to try and stop the madness of the Iranian fanatics before they bring the world to the brink of a global nuclear conflict. This is a story that could unfold tomorrow." Frank Gaffney, founder and president, Center for Security Policy

In the tradition of #1 New York Times bestsellers like Unbroken, Boys on the Boat, and Band of Brothers, No Surrender is an unforgettable story of a father's extraordinary acts of valor in World War II and a son's thrilling journey to discover them?an epic narrative of bravery, compassion, and faith. Like most members of the Greatest Generation, Roddie Edmonds, a humble American soldier from East Tennessee, rarely spoke about his experiences during World War II. Not even his son Chris knew the full details of Roddie's capture at the Battle of the Bulge or his captivity at Stalag IXA, a Nazi POW camp. But when Chris's daughter was assigned a family history project, Chris reread Roddie's wartime diaries, which set in motion a series of life-changing events. Called to learn his father's story with a renewed sense of passion and purpose, Chris embarked on a years-long journey, interviewing surviving POWs under Roddie's command, and retracing his father's footsteps, from Fort Jackson, South Carolina, where a boyish Roddie transformed into a seasoned leader of men, to the patch of grass near Ziegenhain, Germany, where he stared evil in the eye and dared a Nazi to shoot. Along with New York Times bestselling author Douglas Century, Chris Edmonds takes us to the front lines of this inspiring multigenerational story, revealing in gripping, novelistic detail Roddie's previously untold heroism--and the lasting effects his bravery had on the lives of thousands, then and now. "What's most remarkable about my journey to discover what my father did in the Second World War," Chris writes, was "the realization that any one of us has the untapped potential to do something incredibly courageous. . . . We all have the potential to change the world simply by standing up for what's right." A shining example of the transformative and redemptive power of moral courage, No Surrender is a celebration of faith, family, and service--the very characteristics that define us today. --James Bradley, New York Times bestselling author of Flags of Our Fathers

This book is about the journey a young man took to find his identity. He had a strong sense of patriotism and believed that his path was toward the military and service in Vietnam. He subsequently enlisted in the army and volunteered to fight in Vietnam. After serving his one-year tour as a grunt, he volunteered to extend his tour and flew as a door gunner on a helicopter gunship. When he returned to the States, he became a drill sergeant, training soldiers to serve in combat in Vietnam. The book chronicles the young man's journey from boyhood to a man. His experiences in Vietnam helped shape the man he became.

The Raid that Rescued Us. The Mission that Defines Our Lives. You are trapped behind enemy lines. You feel it every day. Powerful forces want to destroy you and those you love. Completely surrounded, you see no means to escape. Sadly, the Jesus we often picture is too timid to help--more like a daytime talk show host than a dangerous Rescuer. Who would follow--much less risk everything--for such a leader? Get ready to see Jesus like you've never seen him before--a battle-scarred Combatant who stared death in the face and won. This is no Sunday-school Jesus, meek and mild. This is the Warrior Christ who has descended from the heavens, defeated the Enemy, and rescued humanity. Now, he calls us to continue his mission and fight for others--our families, our communities, and the world. In Jesus Was an Airborne Ranger, Army Chaplain John McDougall offers an alternative to the soft, gentle caricature of Jesus. Only the Warrior Christ can impact our broken world. And only in following him can you find the life of purpose you've always wanted. SUIT UP. It's time to enter the fight with the first and greatest Airborne Ranger. The views expressed in this book are those of the author and do not reflect the official policy or position of the U.S. Army, the Department of Defense or the U.S. government.
